ITEM #5 - Request from Joe Falcha, Recreation Commission. Joe Falcha, Chairman of the Recreation Commission: Is here with Commissioners Jen Harkey and Joe LaRovera. Mr. Falcha explains that since hiring the Associate Recreation Director Missy Orosz, the youth programs have grown considerably. This summer the summer camp was revamped and three additional counselors were hired, that were not in the budget. This caused the salary budget line item to be short and funds may be needed and transferred to help cover the fall basketball program. He also explains that these programs generate revenue, but the transfer may be needed to offset the costs before the fees come in and to hire any additional help that may be needed. They will be asking for this in the future and would like to know the process. Trisha Danka: Suggests that Mr. Falcha go to the Finance Department and request an inter-line transfer. She congratulates the Commission on all of the programs that they have successfully created. There are suggestions made on where the funds will be taken from. Board members also express their appreciation for all of the wonderful programs that are available for the youth of our Town and the hard work by the Recreation Commission. Joe Falcha states that they will be going to the Finance Department to work with the Finance Director and Assistant Finance Director on the inter-line transfer.

Monthly Financial Reports are ok; nothing stands out as a problem or possible problem. He states that there may be some transfers coming up. One is for the foreman’s position, which has been approved by the Board of Selectmen to be in the Administrators Union recently and there is a slight increase. Also, the tax refunds for the month need a transfer due to some of them not being in this year’s budget. The Treasurer Position line item may also be short.
