First Selectman, W. Kurt Miller called the meeting to order at 7:00pm.

Item #2 - Pledge of Allegiance.
Everyone saluted the Flag and recited the Pledge of Allegiance.

Item #3 - Public Comment.
Paul Roy, 80 Washington Avenue: He wanted to provide an update on the Skate Park. The committee is trying to build the best park with the allotted funds. Don Smith is working and the committee has asked Stantek to provide more services for the same amount of money. Don Smith is arranging for the soil testing in the next 7-10 days. The budget is on track.

Robert Rich, 9 N. Benham Road: The town is considering another building project, yet the town has quite a bit of debt at this time. Suggests the town pay down the school debt and take that money to use toward future projects. There may be cost savings in not heating and maintaining some of the older buildings, use that money for new projects. The State budget looks gloomy and the funds to municipalities may not be at the same level as past years. Concerned in these tough times government is spending too much money.

Item #4 - First Selectman’s Report.
The Fish Bypass project is moving forward. A Bristol company had the lowest bid, contracts to be signed in the next 2-3 weeks.

Union contracts are moving forward and Kurt Miller will provide an update at the February 19, 2013 Board of Selectmen meeting.

Kurt Miller presented the First Selectman’s Proposed Budget to the Board of Finance. The proposed budget reflects a 0.5 mill increase and the Board of Finance was encouraged to increase the town’s fund balance.

Information was recently received regarding and increase of $28,000 in ECS funds to the town. Kurt Miller will present the information to the Board of Selectmen if members request.
