Congratulates the Tax Incentive Committee for the Plan and is looking forward to using it to promote the town. The Town of Seymour was denied a grant because we did not implement our MEDP that was created in 2007 and in 2002 last Plan of Conservation and Development was done and that must be done every
10 years. The Town needs to create an action plan. The EDC interviewed 3 firms at a special meeting. This must be done because the Town must be able to apply for grant money. There is $10,000 available for this in the EDC budget. There will be a Public Informational Meeting in April.
