ITEM # 5 - First Selectman’s Report – Update on 100-Day Plan.
Resolution/100-Day Plan – The First Selectman has decided to restructure his plan to first list all completed issues, then issues still being worked on and their status. He apologizes for giving it to everyone tonight, but was extremely busy putting his budget presentation together for the Board of Finance. If anyone has any questions or concerns concerning the list they are welcome to contact the First Selectman’s Office.

ITEM # 6 - Public Comment.
Ray Faustich, 33 Davis Road: I am here tonight to make you aware of a serious issue regarding the soccer fields and playground area at Gary Park. Almost two years ago the Seymour Soccer Association (SSA) and the Seymour Parks Commission recognized and addressed a similar situation concerning the southern perimeter of the Gary Park fields. Through their combined efforts a fence was purchased and erected to prevent soccer balls from rolling down a 5”- 8” embankment and into a deeply wooded and unimproved area. Unfortunately, the northern perimeter still requires a fence and for even more important reasons. Soccer balls leave the fields at high rates of speed and immediately enter the adjacent playground area. Families with
small children and babies are being constantly bombarded with errant kicks while senior citizens are forced to "duck and dodge" while trying to enjoy the companionship of their grandchildren. Not only is this a dangerous safety issue but it also exposes the Town of Seymour to potentially serious litigation. The proximity of the field to the playground; its benches and picnic tables is minimal and I have personally witnessed numerous soccer balls strike children and adults. Fortunately, none of these collisions have caused serious injury as yet but this really is a serious accident waiting to happen. At the eastern end of this perimeter stands a gazebo with picnic tables. This gazebo is approximately 15' behind the adjacent field. I have also witnessed soccer balls entering this picnic area sending plates and food in the air. I can fully appreciate that the present economic environment in Seymour and the surrounding area is not strong but I do believe that if we fail to address this issue now we run the risk of enduring future legal issues by not responding appropriately. I would me more than willing if you wish to assist in the planning for and the installation of a new fence. Thanks you for listening and your attention is most certainly appreciated.

Frank Loda, 27 Osprey Drive: Would like to comment on Item # 18, Presentation from CCM. As a former member of the Board of Finance, CCM was very helpful. He would like the Town to give support to CCM because they provided a tremendous service to the Town.

ITEM # 7 - Discussion on adoption of Tax Incentive Program.
Kurt would like any questions and/or comments for the Tax Incentive Committee so we may send them to them and then have the Tax Incentive Program ready for approval at the March 6, 2012 Board of Selectmen meeting. Then the Economic Development Director can take it to his meeting in Hartford on March 7, 2012 to present to potential businesses.
Karen: Paragraph B #6 -- add after building permit "and not in violation of any town codes including the fire code."
Paragraph G: Last paragraph -- shall be by first class mail "certified, return receipt requested" and shall apprise..
Karen: Also asks about parking downtown and if the Town will be buying the property downtown that was proposed by the Economic Development Director.
Kurt: Losing one crossing guard when Anna LoPresti School will be closed and the Chief of Police would like to replace that position by hiring a parking attendant and also looking at the possibility parking meters downtown. The purchase of the property downtown for parking has been moved into the capital plan.
Theresa: As long as smaller businesses are included in the plan she is happy with it.
Gary: Just would like to repeat his last statement about this plan in wanting to make sure that the tax incentive does not kick in until project/building is completed.
Kurt: The plan was designed to accommodate each kind of business in Town. It also gives the Board of Selectmen the leeway to negotiate with the businesses to get the best benefit for the Town of Seymour and the businesses. The Economic Development Commission will be sending their recommendations to the Tax Incentive Committee as well. The Board of Selectmen will be taking action on the plan at their March 6, 2012.

ITEM # 8 - Discuss and take action on Fire Marshal's office stipend position.
Town Counsel Rich Buturla: Took a look at the issues that were raised about this issue. Is comfortable to proceed with the motion that was made at last meeting.
Kurt: If the Board of Selectmen decide to approve the position then it will go to the Board of Finance. If approved then the Board of Fire Commissioners will interview the candidate and give their recommendations to the Board of Selectmen for approval.

Motion to hire an additional part-time fire marshal for a stipend of $3,000 on the condition that time sheets be provided on a quarterly basis to the Office of the First Selectman detailing the locations of all inspections and how much time each inspection and re-inspection required with a minimum of 48 activities annually.

Motion: Karen Stanek Second: Theresa Conroy

Vote: 6-Yes 0-No 0-Abstain
Maintenance bond for the southerly section of Hidden Meadow Road being held in the amount of $17,500.00 until released by P&Z.

ITEM # 17 - Approve tax abatement list for emergency services volunteers for the 2011 tax year. (Take Action)
Karen: Questions why she sees that only the Great Hill members list their points?
Tom Eighmie: States that both captains from each Fire House keep track of the points earned and produce their own report. The SAA have a different system.
Gary Bruce: States that there is a point criteria, which includes drills, training, etc. Each member needs 150 points to qualify. You also have to live in town to meet the criteria on the list.

Motion to approve tax abatement list for emergency services volunteers as presented for the 2011 tax year.
Motion: Al Bruno  Second: Theresa Conroy
Vote: 4-Yes (W. Kurt Miller, Al Bruno, Theresa Conroy, Karen Stanek) 0-No
2 –Abstain (Annmarie Drugonis, Gary Bruce)

The First Selectman excuses Town Counsel at 8:25PM.

ITEM # 18 - Presentation from CCM.
Kurt and Annmarie have heard before, important, need to make a decision, due to budget time, please review packet.
Kevin Maloney: Would like the chance to work with the Town. Work with Towns that are similar to Seymour and can help us by letting us know what they are doing. Will get answers quickly from their open ended research service. They get approximately 1,500 research requests per year. At the State Capital they are the municipal lobbying group. Diligent in looking for state aid for the municipalities. Lobbied for a property tax relief grant that will go into effect this year saving approximately $9,700 per year. Possible new grants available in the amount of $171,000, not sure if Seymour has taken advantage of it. Helps town save money, reverse auctions on equipment. Try to relieve towns of state mandates. The current Governor used to be the President of CCM. CCM has their own insurance company, liability, workers comp, etc., called Cirma, a division of CCM. They also offer training for employees/workshops for professional development. CCM had worked the past 3 years with a 0% increase, but this year there may be a small increase. Other towns in our area use CCM such as Ansonia, Oxford, Beacon Falls, and Naugatuck. They also provide energy programs that offer savings. Shelton has purchased into the electric program. They also provide a municipal salary survey. Very helpful and important. Annual membership, CCM would like the opportunity to work with the town. Workshops for Board of Selectmen, Board of Finance, or appointed and elected board members. If proposal and in budget for July 1st, services would be opened at the time of agreement, prior to budget.
Theresa Conroy: States that she is aware that the Town of Seymour are members of Cost now, and belonged to CCM a while back.
Kevin Maloney: COST does a great job with what they do. CCM deals with more issues. CCM also has a great website that has a lot of information and password protected for members.
Theresa: Would like the Town to consider joining CCM and feels that they would provide a beneficial service.

*The Board of Selectmen will review the packet handed out by CCM and take action at the March 6, 2012 meeting.

ITEM # 19 - Appointments.
Motion to appoint Paul Sponheimer to the Building Review Committee for a term expiring upon completion.

Motion to approve transfer control # 12 Emergency Management in the amount of $1,500.00 from Contingency Acct 1-001-410-1950-530-872 and into Emergency Mgt Purchased Services Acct 1-001-420-2153-542-350 due to the emergency responses to the two storms (Irene and Alfred) we have exhausted all funds.
Motion: Al Bruno  Second: Karen Stanek
Vote: 6-Yes  0-No  0-Abstain

Gary Bruce: Knows the value of Code Red/Reverse 911 System, but wants to know if the Town has checked into and thought about changing to EVERBRIDGE, which is a similar system provided by the State for free, same service and same notification. Would like the town to look at this service and save the money being spent on Code Red.
Tom Eighmie: States that the Code Red System had met the needs of Seymour and was reviewed by group and was analyzed twice. The Code Red activation process is faster and the committee felt it was a better fit for our Town and its needs. Had also found that the processing time with Everbridge has issues.
Gary Bruce: States that New Haven and East Haven use Everbridge and don’t have problems. Would like to see it revisited due to the cost.
Tom Eighmie: The last review of the Code Red system was done right before the storms last year. Our dispatch center and surrounding towns use Code Red and they can all connect.
Kurt Miller: Asks Tom Eighmie if he can get the review info for the March 20, 2012 Board of Selectmen meeting, to review and discuss.

Motion to approve transfer control # 13 Town Miscellaneous in the amount of $60,000.00 from Fund Balance 2-001-390-000-000-000 and $25,000.00 into Equipment non capital Town Hall Communications and Website 1-001-410-1310-430-745.
The $25,000 will be used to upgrade power issues in association with the generator for the emergency shelter at the Middle School.
The $17,000 will be used to upgrade Town telephone system and improve the Town website.
The $7,784.00 will be used to pay for the smart board for the Great Hill FD, which was due to the loss of grant money.
The $6,775.00 will be used to pay for the bingo machine for the Callahan House, which was due to the loss of grant money.
The $60,000.00 was received as a settlement in the RAF Claim.
Motion: Gary Bruce Second: Al Bruno
Vote: 6-Yes 0-No 0-Abstain

ITEM # 25 - Selectmen’s Public Comment.
Karen Stanek: Parking issue by the train kiosk. 2-hour parking. Where do people park downtown. What are we going to do about parking downtown.
Kurt: Working on parking issues with Police Chief, EDC, we will need to have discussions. Parking may be a bigger issue until the fish ladder is finished.
Karen: Heard that a business will be going in across from the Post Office, will we be offering the Tax Incentive Program?
Kurt: When application is received we will do what is best for the Town and the business.

Theresa Conroy: Would like to know where we are on Chatfield Park restorations.
Kurt: The park is being worked on, and the Land Trust is currently working on the bridge.
Kurt: Also an elderly couple spent all of last weekend cleaning up the Chatfield Park. He would like to send them a thank you from the Town.
Theresa: Is still waiting for 4th quarter report from the Board of Education. Also the invasive bamboo issue will be going into session tomorrow. Hopefully the State will take action on this issue so Town doesn’t have to.
Kurt: Should have the Board of Education 4th quarter report for the next meeting. Also has all of the invasive bamboo information.

Al Bruno: Are we still on track with Wire Company rubble pile?
Kurt: Outstanding information, sitting on Attorney General’s desk, hopefully within the next week. Has sent 2nd bill to the land owner and is being charged 18% interest per year. Town has applied for a Brownfields mediation grant and met with the owner of Seymour Lumber.
