ITEM #5 – First Selectman’s Report.
Skip to item # 19.

ITEM #6 – Public Comment.
Wayne Finkle, 1 Jay Lane, Board of Public Works: Thanks the Board of Selectmen for trying to bond the needed equipment for the Public Works Department. Disappointed that the Board of Finance rejected it and feels that false information was given. The money was to replace old equipment, not add to the fleet. Also the $80,000+ vehicle listed in the bonding resolution was for the Parks Department, not Public Works. Very concerned to where this is going to leave the Town.

Ed Pollack, 25 Walnut Street: Still has many concerns about the flooding problem on his property and would like a letter stating that the Town is responsible for cleaning the drainage pipe under the street and would like a letter from Town Counsel stating her reasons for the Town not taking responsibility for his problem so he can give it to his attorney.

Mike Komaromi, 10 Sunset Terrace: Thanks the Board for being so patient about the bamboo issue. He states that he has no plans to remove his bamboo, which is well maintained, especially since he has not broken any Town or State Laws. He is trying to work with the neighbors and has agreed to dig trenches along his property line to avoid any invasion issues and contain the bamboo.
Sean Walsh, 126 Pearl Street, Board of Public Works: Is in agreement with Wayne Finkle on the Public Works issues. Is concerned about aging broken equipment and being able to support the roads in Town with what is available.

ITEM # 7 – Act in Lieu of Special Town Meeting per Charter Section 13.1(f).
Motion to adjourn Special Town Meeting to Referendum on Tuesday, February 22, 2011 at the Seymour Community Center, 20 Pine Street, from 6am to 8pm.
Motion: Philip Wilhelmy  Second: Karl Trybus
Vote: 6-Yes (Paul Roy, Philip Wilhelmy, Karl Trybus, Saundra Gesek, John Conroy)  2-No (W. Kurt Miller, Annmarie Drugonis)  0-Abstain  0-Disqualify

- W. Kurt Miller would like to state for the record that he would still like to see this done on the budget referendum to save money.

Motion to place on the table discussion and take possible action on re-classification of Holbrook Road, and Canfield Road.
Motion: Philip Wilhelmy  Second: Karl Trybus
Vote: 7-Yes  0-No  0-Abstain  0-Disqualify

David Elder, VCOG: Would like the Board of Selectmen to empower the First Selectman to enter into agreements to re-classify and upgrade Holbrook Road into a Major Collector Road and to de-classify Mountain and Canfield Roads into Minor Collector Roads in order to possibly obtain more funds from the STP (Surface Transportation Grant Program). The Board would like to keep all roads with the status of Collector Roads.

Motion to authorize the First Selectman to enter into an agreement with the CTDOT to reclassify Holbrook Road, Mountain Road and Canfield Road and to keep their status to at least a Minor Collector Road.
Motion: John Conroy  Second: Philip Wilhelmy
Vote: 7-Yes  0-No  0-Abstain  0-Disqualify

ITEM # 8 – Human Resources Audit Proposal.
W. Kurt Miller: Spearheaded obtaining this proposal because he feels that Human Resources is essential and the Human Resources Audit will justify why HR is needed in the Town of Seymour.

Linda Meola, Human Resources Inc.: Would like to propose an audit to the Board, which will include speaking to the Directors/Managers to find out goals in each department, performance evaluations, job descriptions, etc. The company will be giving their recommendations from the information they gather, as well as Statute Compliance and Best Practice. The company also uses a team of people to make the determination. The proposal is for $40,000.00, which includes $15,000 for the audit and $25,000 for the first year of having a Human Resource Service in house several hours a week and access to services during each work week.
The Board members would like the audit done immediately, but need to seek the funding. The First Selectman will consult with the Finance Department to see if the funding can be found.

Motion to table the Human Resources Audit Proposal until the next Board of Selectmen meeting on March 1, 2011.
ITEM # 9 – Discussion and possible action on Aging Commission Report.
A lengthy discussion was had by the Board of Selectmen, two members of the Aging Commission (Joan Gee and Harry Marks), and the Senior Center Director Lucy McConologue. A report re-submitted by the Aging Commission that was originally from July 2010, was discussed in length. The Charter and Code of Ordinances sections concerning Municipal Aging Commissions were discussed in length and the Board would like to see more recommendations on senior housing, healthcare and overall quality of life for the seniors in the Town of Seymour. They would also like a Municipal Agent appointed. The First Selectman states that many steps have been made to work with the Senior Director and the Aging Commissions recommendations. There have been several new programs, which include a computer class and an exercise class, volunteers have been in the Senior Center helping with programs, currently there is a newsletter contract to discuss, which will be at no cost to the Town of Seymour and research has been done on Municipal Agents who work approximately 4 to 5 hours per week.
