ITEM # 5 - Public Comment.
Bill Ferris, 13 Spruce Brook Road: Talks about the controversy over his offer to pay for a referendum and his desire to see the submitted Board of Education Budget go to vote without any cuts to let the voters decide. Is disenchanted by the process and feels that by the Board of Finance cutting down the request, it is taking away his right to vote on the issue.

Bob Koskelowski, Pearl Street: States that as a member of the Board of Finance it is their job to cut the budgets and thought that the Board of Education’s budget request was excessive. He wants to avoid a deficit for next year. The Board of Finance looks at all departments budgets to cut. Feels that he may have over-reacted over the offer to pay for a referendum, but he had never heard that before.
Maryanne Mascolo, Superintendent of Seymour Schools: Feels that the Board of Education budget was not excessive and if anyone had any questions or concerns her office would have forwarded them anything they asked for. She feels very strongly that due to the Board of Education not receiving any increase in years that they are in need of the funds that they request. She asks for the Board of Selectmen’s support for the entire Board of Education budget to go to referendum.

Bruce Baker, Greenwood Circle: Agrees with Maryanne Mascolo and feels that the schools need the funds that were submitted by the Board of Education. They need programs. He feels that the Board of Selectmen needs to explain the need of the schools to the electors and convince them to vote in support of the budget. The schools need to be rescued.

ITEM # 6 – Discussion with WPCA on Financial Issues.
Steve Kulas, WPCA Counsel: States that the Chairman of the WPCA was unable to attend tonight’s meeting due to personal reasons. He also states that the WPCA did not receive a copy of the document that was submitted to the Board of Selectmen which contains financial information on the WPCA. He would like a copy of the document to submit to the WPCA members. Attorney Kulas will be billing the WPCA for his time this evening.

Motion to table the WPCA discussion until the next meeting.
Motion: John Conroy Second: Philip Wilhelmy
Vote: 6-Yes 0-No 0-Abstain 0-Disqualify

ITEM # 7 – Discussion and possible action on Fire Department Clerk Position.
At the last Board of Selectmen meeting on 3/1/11, the Fire Department requested that the Board change their part-time clerk position into a full-time position due to the large amount of mandated work that must be done. The information about the cost differential was not available at the last meeting. Currently, the position is 19 1/2 hours, with a salary of approximately $16,000 annually and $14.00 per hour. The individual in this position currently works approximately 30 hours per week. The First Selectman states that by increasing the hours that the hourly rate will be $16.12, which is what the union wages are for this position. There is some controversy on whether this would be a union position or not.

Motion to change the Fire Department Clerk position from 19 1/2 hours to 25 1/2 hours.
Motion: Philip Wilhelmy Second: Karl Trybus
Vote: 1-Yes (Paul Roy) 4-No (Philip Wilhelmy, Karl Trybus, W. Kurt Miller, John Conroy) 1-Abstain (Annmarie Drugonis) 0-Disqualify

Motion: W. Kurt Miller  
Second: John Conroy  
Vote: 6-Yes 0-No 0-Abstain 0-Disqualify

W. Kurt Miller: Commends Mr. Ferris for standing up for his beliefs. Does not want to support taking the money for the referendum. Would like to see the Board of Finance re-discuss the Board of Education budget and feels that the decision was made to quickly.

John Conroy: Also commends Mr. Ferris, but there is a Board of Finance and they have their job, which is spelled out in the Charter. Also states that if the Board of Finance lets the Board of Education budget go to referendum as is, then they will have to do so for all departments.

Paul Roy: Does not believe that the Town can legally accept the money for the referendum. He also feels that the Board of Finance has a job to do, but they may have acted to quickly.

Philip Wilhelmy: Understands Mr. Ferris’s frustrations and commends him for standing up for what he believes. Feels that the voters need to be educated on the budget and the process. The information on the budget and the needs of the Town also need to be advertised.

Karl Trybus: Thanks Mr. Ferris for his concerns and feels that they are genuine, but it is problematic to accept the money.

ITEM # 8 – Discussion of SMART Plan and Enterprise Corridor Zone.  
W. Kurt Miller: Would like the SMART & Be SMART Plans reviewed and updated every few years. He would like to research expanding the tax incentive programs to the small businesses in Town. He uses Oxford as an example. He also feels that the website should have more information on these programs.  
The SMART Plan’s dates and info have been updated. The Enterprise Corridor Zone is administered by the State of Connecticut.
