ITEM # 1 - Award Heating & Air Conditioning Maintenance Contract for Town Buildings.

There were seven bids received in the First Selectman’s Office on September 1, 2009. The lowest bid was received from Air Dynamics in Guilford. They have servicemen that live in Town, but in case of emergency or they need a part they will have to go all the way back to Guilford, which will add up to a lot of gas surcharges and traveling fees. The next lowest bid came from Oatley, who are our current contractor, for $4,700.00, which is also almost half of what the Town is paying currently. The First Selectman states that Oatley knows the equipment and are local in case of emergencies. He is recommending Oatley for the Town Buildings Heating & Air Conditioning Maintenance Contract.

Motion to award the Town Buildings Heating & Air Conditioning Maintenance Contract to Oatley for the first year at $4,700.00 and second year at $4,250.00.
