ITEM # 13 – Public Comment.
No Action Taken.

ITEM # 14 – Selectmen’s Public Comments.
Paul Roy: Wanted to remind everyone that High School Graduation is going to be on June 17, 2008 @ 6:00PM and whether or not the Board of Selectmen meeting will be starting late. The First Selectman states that he may be late and John Conroy would start the meeting.

Frank Conroy: Wants to know the status on the Foreman position at Public Works. The First Selectman has received no updates. Mr. Conroy also asks how many Public
Works employees are out of work right now. The First Selectman replies that there are three workers out on Workman Comp and two are out sick and others are taking their vacation time before June 30, 2008. Public Works has also hired two college students for the summer, which is in the budget.

Robert J. Koskelowski: Met with a consultant concerning putting GPS into the Public Works vehicles. This is to help conserve on fuel costs. The GPS will be monitored at the First Selectman’s Office and other places. The cost will be approximately $600.00 per vehicle installed and approximately $35.00 per month per vehicle, $50.00 if we don’t pay up front. The Union will be notified that the GPS will be put in the vehicles. The specs for this project should be ready for the next Board of Selectmen meeting.

O&G also have met with Public Works Director to go over the roads to be asphalted this year. The price per ton is approximately $71.00, not the $80.00 estimated so the Town will be able to take care of more roads.

Paul Roy: Questions what happened at the Board of Finance meeting with missing documentation and backup for the transfers that were presented to the Board. The First Selectman states that he has spoken to the Town Employees that were in charge of getting the backup and they have to make sure that they follow procedures.

Annmarie Drugonis: Went to the Fire Chiefs meeting and gave them the NIMS info about the training that is required. Gives the Board of Selectmen a copy of the requirements and will also give them to the Fire Commissioners. Tom Eighmie, Emergency Management Director will also be working on getting the NIMS requirements completed. The First Selectman wants the Board to review the information on NIMS.

John Conroy: Tells everyone that as of 8:30PM Seymour and Plainville are tied at 1-1. Also, he was a member of the Board of Finance several years ago and the procedures have always been to have back up on transfers.

ITEM # 15 – Executive Session (Pending Litigation – Smith Osborne, Contract Negotiations, Personnel)

Motion to go into Executive Session for pending litigation for Smith Osborne with the Board of Selectmen and Town Counsel at 8:33PM.

Motion: John Putorti  Second: John Conroy
