ITEM # 1 – Bond Refinancing.
The First Selectman, Finance Director, and Assistant Finance Director met with the Town’s Financial Advisors a week ago and were told that it would be a good idea to refinance the 2004-2005 series bonds. In the future this could save the Town hundreds of thousands of dollars. Tony Caserta, Assistant Finance Director explains that we need to take any opportunities to save money on our debt. He is requesting authorization from the Board to give the appropriate officials permission to jump on an opportunity to refinance when they are advised by the Financial Advisors.
This is to consider and act upon a proposed authorization for the issuance of bonds to refund all or a portion of the Town’s $7,435,000.00 General Obligation Bonds, Issue of 2004 and $10,000,000.00 General Obligation Bonds, Issue of 2005.

RESOLUTION OF BOARD OF SELECTMEN
RESOLVED, that the Board of Selectmen of the Town of Seymour hereby adopts the resolution presented to this meeting authorizing the issuance of bonds to refund all or a portion of the Town’s $7,435,000 General Obligation Bonds, Issue of 2004 and $10,000,000 General Obligation Bonds, Issue of 2005. A copy of the resolution shall be inserted in or attached to the minutes of this meeting and made a part thereof.
RESOLUTION OF THE BOARD OF SELECTMEN
OF THE TOWN OF SEYMOUR

AUTHORIZING THE ISSUANCE OF REFUNDING BONDS FOR PAYMENT OF THE OUTSTANDING PRINCIPAL OF AND INTEREST AND ANY CALL PREMIUM ON TOWN OF SEYMOUR’S $7,435,000 GENERAL OBLIGATION BONDS, ISSUE OF 2004 AND $10,000,000 GENERAL OBLIGATION BONDS, ISSUE OF 2005, AND COSTS RELATED THERETO

RESOLVED,

(a) That the Town of Seymour issue its refunding bonds, in an amount not to exceed THIRTEEN MILLION DOLLARS ($13,000,000), the proceeds of which are hereby appropriated: (1) to the payment in whole or in part, as to be determined by the First Selectman and the Treasurer, of the outstanding principal of and interest and any call premium on the Town’s $7,435,000 General Obligation Bonds, Issue of 2004 (consisting at original issue of $833,000 General Purpose Bonds, $1,865,000 Water Bond and $4,737,000 Sewer Bonds) and $10,000,000 General Obligation Bonds, Issue of 2005 (consisting at original issue of $10,000,000 School Bonds), including the payment of interest accrued on said bonds to the date of payment, and (2) to pay costs of issuance of the refunding bonds authorized hereby, including legal fees, consultants’ fees, trustee or escrow agent fees, underwriters’ fees, bond insurance premiums, net interest and other financing costs and other costs related to the payment of the outstanding bonds described above. Such payment of the bonds to be refunded pursuant to this resolution may be accomplished, without limitation, through the funding of one or more escrows, and the application of the balance held in such escrows, together with the investment earnings thereon. The refunding bonds shall be issued pursuant to Section 7-370c of the General Statutes of Connecticut, Revision of 1958, as amended, and any other enabling acts. (c) That the Town hereby declares its official intent under Federal Income Tax Regulation Section 1.150-2 that costs of the refunding may be paid from temporary advances of available funds and that (except to the extent reimbursed from grant moneys) the Town reasonably expects to reimburse any such advances from the proceeds of borrowings in an aggregate principal amount not in excess of the amount of borrowing authorized above for the refunding. The First Selectman and the Treasurer are authorized to amend such declaration of official intent as they deem necessary or advisable and to bind the Town pursuant to such representations and covenants as they deem necessary or advisable in order to maintain the continued exemption from federal income taxation of interest on the bonds authorized by this resolution, if issued on a tax-exempt basis, including covenants to pay rebates of investment earnings to the United States in future years.

(d) That the First Selectman and the Treasurer are authorized to make representations and enter into written agreements for the benefit of holders of the bonds to provide secondary market disclosure information, which agreements may include such terms as they deem advisable or appropriate in order to comply with applicable laws or rules pertaining to the sale or purchase of such bonds.

the they may deem appropriate. Such credit facilities may be obtained and such agreements may be entered into on the basis of negotiation or competitive bid. The First Selectman and the Treasurer may determine to pledge the full faith and credit of the Town to its payment obligations, including netting payments, under any such credit facility or agreement entered into pursuant to the authority granted hereby.

(f) That the Board of Selectmen, the First Selectman, the Treasurer, the Finance Director and other proper officers of the Town are authorized to take all other action which is necessary or desirable to enable the Town to effectuate the refunding of all or a portion of the Town’s outstanding $7,435,000 General Obligation Bonds, Issue of 2004 and $10,000,000 General Obligation Bonds, Issue of 2005, and to issue refunding bonds authorized hereby for such purposes, including, but not limited to, the entrance into agreements on behalf of the Town with holders of the bonds to be refunded, underwriters, trustees, escrow agents, bond insurers and others to facilitate the issuance of the refunding bonds, any escrow of the proceeds thereof and investment earnings thereon, and the payment of the outstanding bonds in whole or in part.

The First Selectman wants the Board to know that the boiler at the Community Center needs to be replaced. It is over 50 years old. He has requested that the Town Engineer have one of the Engineers in his firm draw up specifications for a new boiler system. Currently the Town purchases 1,500 to 2,000 gallons every other week. The Town has already replaced many windows thanks to grants from the Katharine Matthies Foundation.

ITEM # 3 – Lease at Randall Field (Housing Authority).
The Director of the Housing Authority, David Keyser is requesting to extend their lease for the property known as Randall Field located at Pine Street and Derby Avenue. The lease expired on 12/31/07. The reason this is needed is to secure funding for additional housing for the disabled. They need proof of the lease on the property to be able to apply for funding. The Housing Authority currently pays $1.00 per year to secure the property, which will stay a usable soccer field and baseball field until the time that funds are secured and the project is approved, which can be up to ten years from now. The Charter states that we need to have a Special Town Meeting to authorize the extension of the lease on this property.
Motion to set a Special Town Meeting for the approval of the extension of the lease on Randall Field for the Seymour Housing Authority until 12/31/12 for Tuesday, March 4, 2008 at 7:00 PM in the Norma Drummer Room at Seymour Town Hall.

ITEM # 6 – Banking recommendations from Finance Director Doug Thomas.

The Town is currently looking to save money anywhere that we can, so we went out for RFP’s for banking services. The Finance Director Doug Thomas received four RFP’s from local banks that have branches in the Town of Seymour, which are Bank of America, Webster, TD Bank North and Wachovia. Mr. Thomas is recommending to use TD Bank North because the banking services are comparable to the others, but the savings to the Town would be $5,784.00 annually. They would also like to supply a scanner, software, and training to the Town for electronic deposits that can be done on premises. Board member John Conroy has used the electronic deposit scanners at his job and is very impressed with them.

Motion to authorize the Town of Seymour to use TD Bank North as their new bank and have the Finance Director and Assistant Finance Director immediately change over.

ITEM # 17 – Selectmen’s Public Comment.
Paul Roy: Wanted to know if the fire departments were included on the Town Buildings Heating & Air Conditioning Maintenance Contract. The First Selectman responds that: No, the fire departments have there own maintenance contracts.

Paul Roy: Wants to know how the Public Works Foreman position is going and if it is going to be Union or Non-Union. The First Selectman responds that the interviews have been scheduled for Wednesday and Thursday of this week for seven candidates and the position was posted as undetermined whether or not it is a Union position.

Frank Conroy: Update on Seymour Land Trust on Day Street. The VFW has been taken down and by spring the bocchi court and pavilion along with the horseshoe pits should be done. There will be a replica of the old Cedar Wood School. There has been a problem with vandals and the gazebo has been vandalized several times. Also, the foundation has been poured for the addition of the Henry Hammel Environmental Center at Legion Pond. The Land Trust is looking for any support that they could get for the projects. They also plan to
open the new bocchi court park to the public and work with the Parks Commission on special events.

John Conroy: Would like to say that he is happy with the audit report and that comparing last years budget report that the Town was $263,000 under budget to this years audit report being $348,000 under budget.

Robert J. Koskelowski: He has been working with the Finance Director and the Assistant Finance Director very hard on the budget. He will not be recommending any more than a $2.00 per week tax increase for the average taxpayer assessed at $200,000.00, hopefully there will be no increase. He is still working on the budget due to some budget requests being tardy. The loss of revenue for tuition from Oxford is approximately 1.5 million dollars over the last three years.

George Temple, Town Counsel: Concerning extending the lease for Randall Field for the Housing Authority. Section 13.2(f) in the Charter says that a Special Town Meeting will not be needed for a lease extension for terms less than 2-years. This would be a temporary extension. Housing Authority Director David Keyser needs the lease to be in place this week due to the grant applications having to be in by Friday.
