First Selectman’s Report:
- The new 21 passenger Senior Bus was delivered today. The bus was a little over $50,000 and $25,000 of that was from the Katharine Matthies Foundation.
- The new windows are now being installed at the Community Center/Senior Center by Derby Glass. These were paid for by a $25,000 Grant from the Katharine Matthies Foundation.
- The First Selectman has directed the Grants Coordinator to apply for three STEAP Grants. One is for $500,000 for artificial turf for the Athletic Field at the High School, the second is for $150,000 for repairs to the Sochrin Pond Dam, and the third is for $150,000 for sidewalks that are in need of repair throughout town.
- Over the holiday the Fire Alarm System at the Community Center was going off. The company came in and discovered a faulty wire for the horn strobe in the gym. To fix this is $3,350.00 to rewire and replace parts. This must be done due to the gym being used almost everyday of the week. The alarm company is Siemens, who also have an energy efficient program, which they will be presenting to the First Selectman within the next week.
- The Chatfield School Building Committee will be having their first meeting, which will be an organizational meeting on Tuesday, January 8, 2008 at 7:00 PM in the Norma Drummer Room. They will be reporting their progress to the Board of Selectmen periodically.

Public Comment:
- Gina McClain, 46 Squantuck Road: Member of the Seymour Kick-Off Club and would like to ask the Town to donate funds to go toward the
championship rings and plaque for the Wildcat Football Team Class SS who won the State Championship. She states that the boys have been raising money on their own and just last weekend have already raised $2,200.00. They will also be having a pasta party to raise funds and they would like to know if the Town can give any amount to help these boys who have worked very hard all year for this accomplishment.

- Julie Hamilton, Oxford resident, President of the Seymour Kick-Off Club: Would also like to state that the boys on the football team work very hard for their achievements and are not out on the streets getting in trouble. They all keep their grades up and practice all year and she would really like for the kids to be recognized.

Motion to place the Seymour Kick-off Club’s comments concerning recognition of the State Champion High School Football Team on the table.

Motion: Frank Conroy  Second: John Conroy
Vote: 7-Yes  0-No  0-Abstain  0-Disqualify

- The First Selectman spoke to the Superintendent and the Chairman of the Board of Education concerning the fund raising issue with the Football Team. He also spoke to Mayor Della Volpe in Ansonia, who used to be a football coach in Ansonia and since being Mayor has had approximately $3,000 per year put in a fund for any winning athletic team in the city. He would like to give the Seymour Kick-off Club $3,000 to go toward the boy’s championship rings and plaque and be taken out of Contingency or Fund Balance, whichever the Board of Finance decides.

- The First Selectman and the rest of the Board members really like the idea of putting money in the budget each year for athletic teams that make achievements.

Motion to transfer $3,000 from the Contingency or Fund Balance to be given to the Seymour Kick-off Club for rings and a plaque for the Seymour Wildcats Class SS 2007 State Champions and to go to the Board of Finance for approval.

Motion: Paul Roy  Second: John Putorti
