10-3293: MOTION: (Mrs. Loda, sec. Mr. Kubik) to acknowledge the receipt of this information and render no opinion as to the appropriateness of the planned program.

   e. Board Members Comments: Mr. Stanek requested that Ms. Mascolo provide the board with the notes from the board professional development provided by Mr. Caruso in regard to the homework policy. The board discussed the presentation of the School Improvement Plans and are hoping to see more "narrative" in upcoming presentations, citing the areas of how the schools have improved, the areas of improvement, the areas still need, what has been working, what has not. These were many of the questions directed to Mrs. Briggs, which she was able to answer for the Board. Ms. Mascolo urged the Board to consider that earlier requests had been to show data in areas of testing strengths and weaknesses and that administrators have already been working on their School Improvement Plans in that direction. It was suggested that the Board perhaps open these presentations with their questions prepared.

3. Superintendent's Report  Ms. Mascolo reviewed her recent and upcoming activities and meetings, including the upcoming interviews for the assistant principal position at SMS. She asked the board to consider setting up meetings for follow up of the Superintendent evaluation and approval of goals, discussion of the 2011-2012 budget process and setting up focus groups for parental input into the upcoming budget process. She noted the upcoming presentations of School Improvement Plans as well as reports upcoming on the District Data
Team and Professional Development by Christine Syriac, Special Education by Nancy Snopkowski and Technology by Roberta Pratt. She referred to questions posed by the Board as to the Chatfield School Grade 5 field trip to the Big E noting the bus cost of $400.00, 49 students and 16 chaperones in attendance and cost per student of $8.00. She also provided the board with handouts and articles.
