VI. INFORMATION AND REPORTS:

A) Presentation – SyAM Power Management Software

Mr. Michael Mazzariello from SyAM Power Management Software made a presentation to Board Members as to how the SyAM Software would benefit the Seymour Public Schools. The power management software would automatically shut down PCs and reduce desktop energy costs by 30% - 40%. The district would also see a savings through the CL&P CEEF program. Robert Miller of the New Cannan Public Schools and a resident of Seymour is a user of this product and said the New Cannan Public Schools has seen a savings in the cost of utilities with this program. Board Members asked Mr. Belden to see what savings they would see if desktops and printers were shut down throughout the schools systems manually or through the current system without spending money on new software.

B) Student Representatives Report

Joe told Board Members that the senior semi held on Friday night went smoothly. There were about 200 students in attendance.

Allie told Board Members there would be Students vs. Teachers Volleyball Tournament on March 18, 2009 at the High School. The cost is $5.00 adults and $3.00 for students. The money raised will go towards cancer research. Allie also said the Mr. Seymour contest would be held on Friday, March 20th at 7:00. The students will be judged in the following categories - swim suit, formal wear and talent. It is a fun event and five other valley schools will participate in the Mr. Valley Competition coming up.
