ITEM # 5 – Correspondence.
An email was received from Colleen Fries, Town Counsel, which states the following responses from questions asked by the Commission:
The following represents my opinion with regard to the issues that the Charter Revision Commission raised at its meetings:

1. With regard to Section 12.4 and the word “illegal” in the last sentence of the first column, I do not think it makes any difference legally whether that word is taken out or remains so the Commission can make their decision accordingly.

2. With regard to the addition of the sentence “The Town Meeting shall be adjourned to a referendum by the Moderator”, I agree that that sentence should be added.

3. With regard to the term “legal obligations” I believe that a proper interpretation of “legal obligations” would be any obligations conferred on the town by state statutes or town charter. I do not believe we can or should define that term in a narrower sense in the charter.

ITEM # 6 – Public Comment.
