➢ Executive Director’s Report

See Attached Exhibit II

The Executive Director stated that the Annual Report would include information and cover this month’s Executive Director’s Report.

The Executive Director added to his report the experience we have been having with roofs. He commented that the roof over the Smithfield Gardens Dining Room has been leaking. He commented that a snow removal effort was completed and that the manufacturer would have the installer repair the leak. He added that there is also water damage in the front stairwell of Smithfield as a result of ice damming. He reported that insurance claims have been submitted to our carrier.

The Executive Director spoke about a movement by Municipalities to desire to re-negotiate the Payment In Lieu of Taxes agreements with Seymour Housing Authorities in Connecticut.

The Executive Director announced that we had an individual residing at Smithfield Gardens who turned 100 yrs old this month. He stated that staff has arranged a party for her and the First Selectman was invited to give a proclamation.

The Executive Director stated that we will be replacing approximately five furnaces during 2011 and that we will begin a furnace replacement program for the next several years. He stated a need to replace five furnaces at the bottom of Chamberlin Rd. because those are in the worst condition. The cost of these would be approximately $2,500.

The Executive Director also discussed Street plowing on Seymour Avenue. He stated that as a result of residents not using their driveways that the Town of Seymour Public Works Dept. could not plow the street very well. He distributed photos of the street depicting that only one vehicle can pass at a time. He commented that the school bus company has informed residents that they will not deliver children all the way up the street. He stated that Public Works has been requested to use a backhoe to clear the snow. He expected cooperation soon.
