Chairman’s Remarks

Presentation by Angela Powers and Jamie Cohen from the Valley Community Foundation.

Angela Powers explained that the Valley Community Foundation is comprised of many different smaller funds which are put under one umbrella for efficiency purposes. The funds are given from people who have either lived or live in this community or who want to give specifically to the Valley. The Valley Community Foundation then invests those funds, and then makes grants from those funds as directed by the donors of those funds.

Angela Powers further explained that the Valley Community Foundation is part of the Community Foundation of Greater New Haven. The Community Foundation of Greater New Haven has been in existence since the 1950’s and has in excess of 250 million dollars. The Community Foundation of Greater New Haven gives the Valley Community Foundation goals to achieve in order to distribute their funds. For example, if the Valley Community Foundation can get 15 to 16 million dollars, the Valley Community Foundation will be able to distribute 1-1/4 millions dollars from the Gates Brothers’ Fund who passed away in the 1950’s.

The Valley Community Foundation has thirteen Board of Directors, two of which are from Seymour.

Irene Jecusco explained to Angela Powers and Jamie Cohen that the Library Board is just in the beginning stages of planning a new endowment campaign for charitable purposes, and will be working with Friends of the Library on this campaign. Jamie Cohen explained that the minimum amount to start a fund is $10,000.00 for a dedicated fund.

The discretionary fund is from the Board of Directors who will be able to make grants from the five Valley towns.
