SEYMOUR RECREATION COMMISSION

REGULAR MEETING MAY 27, 2009 COMMUNITY CENTER

The meeting was called to order at 7:04 PM by Chairperson, Joe Falcha.

MEMBERS ABSENT: Joe LaRovera – Christine Battis

OTHERS PRESENT: Gina Assinito- Skate Park concerns. Patrick Stanek and Brad Sherwinski – former employees of 2008 summer camp staff.

PUBLIC COMMENT: Gina Assinito spoke of her concern regarding the banning of bikes at the Skate Park. Skateboarders are not going to the park now and are on the streets which she feels is a safety issue. She also showed concern for the condition of the ramps and suggested that pressure treated plywood be used to repair the ramps by professional ramp repair personnel. She also shared that there was an agreement noted at a recent Selectman’s meeting where she brought this issue up to the Selectman. Gary mentioned he thought the Skate Park was initially not designed for bikes and could cause a liability issue. The entire area is small for both skateboards and bikes. There is a sign indicating no bikes. The commission members agreed to look into her legitimate concerns. They also told her they would compare 2008 with this 2009 daily attendance records.

Patrick Stanek and Brad Sherwinsky shared their concern over the pay scale that might be offered to them as well as other returning staff that may be rehired this year as counselors. Lisa and Jen explained the freeze in the budgets of town activities. Lisa also reminded them that the children will benefit from being with all age staff this year now that they have received so many applications. The ratio will be 17-1 for summer camps.

APPROVAL OF MINUTES: A motion was made by Jennifer and seconded by Gary to approve the minutes of the April 22, 2009 meeting. All in favor, motion carried.

TREASURER’S REPORT: Jack reported a balance for line item 620-500 of $2601.56 as of 5/26/09. A motion was made by Lisa and seconded by Jennifer to accept this report. All in favor, motion carried.
