OLD BUSINESS – The sub-committee of Joe L., Jim and Mark presented a draft copy of the application for use of facilities indicating three daily sessions. There will be different rates for residents and non-residents. The rental of the Cougar’s Den will be for Seymour residents only. There was a lot of discussion regarding the drafts and the committee will return next month with all the adjusted corrections suggested. Pop Warner would be considered as a resident rate. People who want to rent the gym in conjunction with a business, may be charged the rental fee plus a percentage
of their charged fee. Gary recommended that Recreation sponsored programs should still have first priority over the gym use. Schedules can change and the commission has the right of refusal. Everything will be finalized in writing next month so it can go into affect shortly thereafter.

Youth Basketball Directors applications are still being advertised as well as accepted. The Commission would prefer one director for the boy’s teams and one for the girl’s teams. Missy and Jack will handle the registrations and applicants as they come in. They will also decide on who will be hired for the positions so that practices can start in November. Missy will check on the availability of gym use from the schools and report back to the Commission.

Children’s Music Program tabled from last month will be researched more by Missy who hopes to attend one of the sessions that are being held in Oxford. She will report back next month on her findings.

NEW BUSINESS:
Youth Center: Missy reported that the Youth Center will open soon. She has some college students needing an internship who might help run the Youth Center Cougar’s Den activities on Friday nights. She suggested one night for the 6th graders, one night for 7-8th graders and one Family Night per month. She presented several ideas for theme nights throughout the year. This will be for Seymour residents only. A sign-in/sign-out sheet will be necessary. She presently has plans for November 7 – 6th grade, November 14– 7/8th grade and November 21 as a Family night. Christine will send Missy the template of last years flyer which will need to be run off and given to the Middle School for distribution. Missy hopes to get the programs advertised on the town website as well as in the school, library, and if possible, on the marquee at the Community Center. Everyone agreed that the advertising of the program is important. More updates on the programs next month.

A motion was made by Christine and seconded by Joe L.to adjourn the meeting at 9:10 PM. All in favor, meeting adjourned.

The next regular meeting scheduled to be held on Wednesday, October 22, 2008 at 7:00 PM at the Community Center. Members are reminded to contact Joe F. if they cannot attend.
