OLD BUSINESS: Skate Park Supervisor, Mallory Zenkus, mentioned she knew of someone that is interested in working at the Skate Park. She brought an application to the meeting. This will help to fill in the hours she may not be there due to a full time teaching position come the middle of August. A third person, to be flexible with hours, would be a good idea she stated, at least until school starts, after which the hours at the Skate Park decrease.

She also mentioned that she sprayed the beehive herself at the Skate Park to get the job done immediately. The fence needs to be repaired. Dennis was informed of both of these concerns over two weeks ago.

Christine shared that one support beam is a safety issue now and needs to be repaired. This will be inspected by Rampage, the company that installed the ramps, it will then be repaired under the maintenance contract.

OLD BUSINESS: YOUTH CENTER - Per Christine, Joe L. will arrange to have a mural painted on the wall in one of the rooms of the Youth Center. Christine is waiting for the check to arrive on the grant for this program. Jack will have a key for the center. No lock box has been established at this time. The rooms, as well as carpeting, still need to be cleaned.

NEW BUSINESS:

Joe agreed to contact First Selectman, Robert Koskelowski, regarding concerns of the fence repairs and other things that need to be done at the Skate Park and other parks that are used for summer camps.
Gary mentioned he was contacted by a parent regarding the first day of summer camp being very chaotic. Jack explained that the children check in and out with a counselor daily but then go to several areas with other counselors throughout the day. The counselors also rotate their responsibilities throughout the day. Gary will relay the message back to the concerned parent.

Two applications came in for part time help at the Skate Park. Jack will check with both to see how many hours they would be able to put into the job. Joe appointed a sub-committee of Jack and Mark to interview the two applicants. The sub-committee has full power to hire and decide on the amount of hours and responsibilities for the new hire(s).

A motion was made by Gary and seconded by Christine to allow the sub-committee to hire the candidate(s) after the interview process is completed. All in favor, motion carried.

A motion was made by Mark and seconded by Christine to authorize pay of three forced Park closure days for Skate Park employees. All in favor, motion carried.
