Outdoor grease trap sizing calculations are to include documentation of previous water usage rate if available or calculated water usage for new establishments.

**Article V, Section 5.1**

Shall be replaced with the following:

**Section 5.1  DAMAGING OR TAMPERING WITH SEWER; PENALTY**

Any person who continues any violation beyond the time limit provided for in Section 7.1, 7.2 or 7.4 or who shall maliciously, willfully, or negligently break, damage or tamper with any structure, appurtenance or equipment which is part of the sewage collection system or the Town, shall be fined in the amount not exceeding **ONE HUNDRED ($100) DOLLARS** for each violation. Each day in which any such violation shall continue shall be deemed a separate offense. Any person violating this provision shall also be subject to penalties as provided for in the Connecticut General Statutes.

**Article VI, Section 6.1**

Shall be replaced with the following:

**Section 6.1  POWERS AND AUTHORITY**

The Superintendent or a duly authorized representative of the Town bearing proper credentials and identification shall be permitted to enter upon all properties for the purposes of inspection, observation, measurement, and testing, in accordance with the provisions of these Rules and Regulations.
Article VII, Section 7.1
Shall be replaced with the following:

Section 7.1 WRITTEN NOTICE OF VIOLATION

Any person found to be violating any provision of these Rules and Regulations shall be served by the Town with written notice stating the nature of the violation and providing a reasonable time limit for the satisfactory correction there. The offender shall, within the period of time stated in such notice, permanently cease all violation. Any and all notices required to be given under this section or under any other provision of this regulation shall be sent certified or registered mail, return receipt requested.

Revised Section 7.3:

Section 7.3 SEWER LATERAL HOOKUP

Any person found connecting to a Town sewerage system without calling for a sewer lateral inspection shall be served by the Town with written notice stating the nature of the violation, be found in violation of these Rules and Regulations and subject to monetary fine of ONE THOUSAND ($1,000.00) DOLLARS.

Add Section 7.4:

Section 7.4 FATS, OILS & GREASE PRETREATMENT PROGRAM

Any person after a proper facility inspection is found in violation of the grease handling and disposal methods shall be served by the Town with written notice stating the nature of the violation, be found in violation of these Rules and Regulations and subject to monetary fine of ONE HUNDRED ($100) DOLLARS for each violation. Each day in which any such violations shall continue shall be deemed a separate offense.

Add Section 7.5 as follows:

Section 7.5 VIOLATIONS CORRECTED BY AUTHORITY; DISCONNECTION

If, any person, after receiving due notice of violation or violations fails to correct such violation in the period of time allotted for such correction, the Authority may cause said correction to be affected or building lateral disconnected. All costs and expenses incurred by the Authority in said correction and/or disconnection shall be borne by the offending person. Any and all costs and expenses incurred in the reconnected of the building lateral shall be borne by the offending person or subsequent owner. Any person who is found to be in violation of Section 22a-430 (formerly Sec. 25-54i) of the Connecticut General Statues, as amended, shall be subject to monetary penalty or forfeiture under Section 22a-438 (formerly Sec. 25-54q) of the statutes.

Article IX should read as follows:

Article IX

POWER AND AUTHORITY OF INSPECTORS

Section 9.1 shall read as follows:
Section 9.1 PERMISSION TO ENTER PROPERTIES

A. The Superintendent or a duly authorized representative of the Town with the power credentials for identification shall have the right to enter all properties for the purposes of inspection, observation, measurement, sampling and testing in accordance with the provisions of these Rules and Regulations.

B. While performing the necessary work in private properties referred to in Section 9.1, A, above the superintendent or a duly authorized representative of the Town shall observe all safety rules applicable to the premises established by the User. The User shall be held harmless for injury or death to the Town employees and the Town shall indemnify the user against loss or damage to its property by Town employees and against liability claims and demands for personal injury or property damage asserted against the User and growing out of the gauging and sampling operation, except as such may be caused by negligence or failure of the User to maintain safe conditions as required.

C. The Superintendent and other duly authorized representatives of the Town bearing proper credentials and identification shall be permitted to enter all private properties through which the Town holds a duly negotiated easement for the purposes of repair and maintenance of any portion of the sewage works lying within said easement. All entry and subsequent work, if any, on said easement, shall be done in full accordance with the terms of the duly negotiated easement pertaining to the private property.
