Item #5 – Transfer Request (Control #9)
Move $2,500 from Fund Balance to Property Purchases
To purchase water company property approved by the Board of Selectman. The property purchase price is $20,000. The residents will pay $1,500/home or $7,500 and open space fund will contribute $10,000.

Three of the residents submitted checks for $1,500. The third will be an installment arrangement of $100/month, and the fourth is a nursing home resident ($1,500 will be paid when the property is sold – house is on the market now). This means that the amount of the transfer request is not correct. It should be $5,500. This way the attorney can have the correct amount of money for the property purchase. We will need to have the Board of Selectmen approve this transfer for $5,500.

Motion to table approval of this transfer until amount is corrected and approved by the Board of Selectmen.
