Item #8:  Presentation of congratulatory certificates for 2014 Class S State Championship Seymour High School Cheerleading Team.
The Board of Selectmen presented the congratulatory certificates to the Seymour High School Cheerleading Team.

ITEM #3:  Public Comment.
Frank Conroy, 167 Sokokarat Street, spoke about his memories of Paul Pawlak. He complimented the decisions of previous Board of Selectmen over the years for voting to name various rooms, buildings and parks in memory of individuals instrumental in moving Seymour forward. He spoke of the various accomplishments of Paul Pawlak and suggested naming the Fish Bypass after him.

Ron Callanan, 2 Washington Avenue, discussed his displeasure with how the meeting was handled with LoPresti School and asked why the Code Red System wasn’t used to notify people of the meeting about the proposed sale. He inquired if the project will require a zoning change. He inquired about the impact on the area’s water and sewer systems. He also inquired about how many units each building will contain. He also discussed other issues and stated that he is not in favor of the sale of LoPresti School. He suggested knocking down the building and building a park for children.

Joe Pawlak (Paul Pawlak Sr.’s son) spoke about the consideration of naming the Fish Bypass Channel and Park after his father. He spoke about his father’s many accomplishments and shared memories. He discussed the fact that he was the driving force for clean water not only in Seymour, but throughout the State of Connecticut.
Rosalie Averill, 38 North Benham Road, spoke about the late Paul Pawlak and the consideration of naming the Fish Bypass Channel and Park after him. She too spoke about all of his accomplishments and shared memories. She spoke in favor of naming the Fish Bypass and Park in his honor.

Fred Stanek, spoke in favor of naming the Fish Bypass and Park in honor of Paul Pawlak. He spoke of what he learned from Paul Pawlak, Sr. He too spoke of Paul Pawlak’s accomplishments with cleaning up the Naugatuck River. He stated that he truly deserves the honor.

Bernice Konowitz, 61 Pershing Avenue, stated that she would not like to see the building at Maple Street just sit there. She is in support of selling the building and is in favor of it becoming an apartment building.

Ann Conroy, 167 Skokorat Street, spoke about Paul Pawlak and his accomplishments with getting the Naugatuck River clean. She discussed some history about the Town of Seymour. She spoke in favor of naming the Fish Bypass and Park in honor of him.

Jennifer Magri, 16 Union Street, stated that she was disappointed in the lack of people coming out to discuss the proposed sale of 29 Maple Street. She stated that she believes there was a misunderstanding. She stated her concerns with regard to a project going into a neighborhood that is already densely populated. She stated that there are many apartment buildings in that area already. She also stated that she still has questions about market rate vs. affordable housing.

Rosalie Averill, 38 North Benham Road, stated that there is no alternative with regard to selling 29 Maple Street. She stated that the idea of traffic in the area was there all along when the school was in operation. She stated the building is just sitting there costing the town and taxpayers too much money.

**ITEM #9: Discussion and take possible action on easement request for Robert Leggio Sr.**
Robert Leggio, Sr., 84 Colony Road, spoke about getting approval of an easement on town property so he can use the water system. He stated that he met with the Planning & Zoning Commission and passed out a letter from the Planning & Zoning Commission recommending the approval of the easement from the Board of Selectmen. He also passed out and discussed various correspondence involved with the matter. He stated that he needs the approval of the easement to put a line across the Transfer Station’s driveway in order to move on and get approval from Public Utilities Regulatory Authority (PURA). Documents from previous years showed denial of a line from PURA twice. Discussion ensued with the board, Town Counsel and Robert Leggio, Sr. with regard to the easement, the denial from Pura and the family issue with regard to getting water to his industrial property. The board discussed the impact the easement will have to the town. Kurt stated that if something would happen to that line, the Transfer Station would have to shut down.
Rich Burturla, Town Counsel, stated that PURA found no hardship. He stated that means the town has no reason to approve an easement because PURA will not approve a line.

Motion to deny the easement request from Robert Leggio, Sr.

**ITEM #11: Presentation from Veolia Water North America.**
John Ogíle, representative from Veolia Water North America, presented a proposal to extend the contract with the Town of Seymour. The contract expires at the end of June. Veolia has been working with the town for 20 years. He discussed the minor modifications to the contract and discussed specific capital items and various aspects of a new 10 year contract proposal. He stated that Veolia provided the town with a 60 day extension.

Kurt gave more information about the contract. He stated that Tony Caserta and WPCA will have some hard numbers in July.

John Ogíle spoke in depth with regard to the other services Veolia Water North America provides. Catherine, another representative from Veolia Water North America, discussed the idea of online payments for the Seymour WPCA and the aesthetics of online payments. She stated that this will add the ability to do e-billing. She also discussed the cost component to the town and the enhancements to the online payment system.

Discussion ensued about solar energy.

Kurt stated that this is Phase I of the Greenway Trail project which will extend from the Paul Pawlak Park up to the Bank Street Bridge. He stated that the town received a grant of $400,000.00 for this project but the town will ultimately have to pay approximately $175,000 in total cost. He stated that the town is looking to wrap a few projects together and take out a short term loan. The final decision as to how the money is used will be from Board of Selectmen.

The board discussed a timeline. Kurt stated that they are aiming to break ground next spring 2015 and hopes to have it ready for a July 2015 opening.

ITEM #15: Discussion and take possible action on resolution for bonding of Rimmon Street Project.

Kurt read resolution as follows:

RESOLVED, that the Board of Selectmen recommends that the Town of Seymour appropriate $2,410,000 for costs with respect to improvements to Rimmon Street, Old Drive, Clifton Street and Pershing Street including reconstruction of and improvements to Rimmon Street and a portion of Old Drive, sidewalk and curbing replacement on Clifton Street and Pershing Street, related improvements and amenities including but not limited to vertical alignment, drainage work including culvert and catch basin installation and replacement, intersection improvements, installation and improvement of utilities, sidewalks, guardrails, and curbing, and rebuilding retaining walls, and related land or easement acquisition, if any; and financing costs related thereto; and that the Town issue bonds or notes and temporary notes in an amount not to exceed $286,000 to finance in part the appropriation. The appropriation is anticipated to be funded in part by $2,124,000 in State of Connecticut and Federal grants and the $286,000 remainder, as to be determined by the Board of Selectmen, from unencumbered General Fund balance or the proceeds of borrowings.

ITEM #24: Public Comment.
Michael Flynn, 85 Skokarat Street, stated that he foresees certain dangers with Squantuck Road. He questioned if the town may be tampering with natural law and voiced his concerns about that. He also suggested investigating the property more.

ITEM #25: Selectmen’s Public Comment.
Karen Stanek thanked board for supporting her motion to name the Tingue Dam Bypass Channel and Park after Paul Pawlak, Sr. She stated that ‘FOOD’ is on the sign near exit 22 on Route 8, but not ‘DIESEL.’ She inquired about more information with regard to the sprinkler system going off at the Memorial Day Ceremony.
Kurt stated that they don’t have an answer.
Karen asked about the status of the signs at the Industrial Park.
Kurt stated that the sign company ‘We Can Do That’ was given until June 12th to take down the signs or the town would have to take legal action.

Al Bruno inquired about an update on the Adopt-A-Spot program progress.
Kurt stated that the signs will be up by July.
Al inquired about an update regarding the recreation department and other departments in town.
Kurt stated that the updates will be given within the next two reports.
Al inquired about when the banners that the Downtown Committee purchased will be going up.
Kurt stated that the Downtown Committee is working with Public Works to get the banners up.
Al inquired about what is going on with Henny Penny’s landscaping.
Kurt stated that they couldn’t do landscaping until a sign went up and now they are going to finalize the landscaping.

Annmarie Drugonis stated that a deer was hit in front of McDonalds and birthed 2 babies on the sidewalk. Two police officers and Commander King wrapped the babies in blankets and put them in a box. They called every emergency line they could. They finally got in touch with Wilton and drove the fawns all the way there. She stated that the fawns are doing well and that those officers should be recognized. She finally stated that people should research more with regard to what is going on in town. She stated that people need to understand that the town can’t keep maintaining the buildings and if the town sells the building, the town can’t control what the buyers do.
