Pursuant to Connecticut General Statutes § 7-255(a), the Seymour Water Pollution Control Authority at a meeting called for the purpose of reviewing its rates and at a public hearing voted to raise the rates to the following:

A Sewer use rate will be charged at $4.10 per 100 cubic feet of water usage and the minimum charges for each semi-annual billing shall be $101.80. The well rate shall be $161.75 semi-annually. These charges will be filed in the Town Clerk’s Office on August 21, 2014 and shall take effect October 1, 2014 and be paid directly to the Seymour Water Pollution Control Authority.

Any appeals for such charges must be taken within twenty-one (21) days after such filing.

Dated at Seymour, Connecticut this 13th day of August, 2014.

Seymour Water Pollution Control Authority
