Librarians Report:
Building Maintenance- Floor Downstairs looks amazing but there are some loose ends to tie up with Carpets, Plus. Roger Foster the Library maintenance person helped incredibly throughout the process.
Personnel- Austin Elliot was hired as a third page.
Programs- Ann’s programming is doing well. Rebecca has started doing her own programs as well. This gives Ann some time to weed and clean the children’s area, and complete the other necessary tasks.
Adult Programming- Is consistent with attendance and Suzanne has booked some programs coming up. We are starting to implement the LSTA grant, so art classes will be coming up. Suzanne is also working on clean-up projects.
Quiet Area for the Library- There have been a couple of issues surrounding lack of a quiet area for the computers. Head phones are available but the issue may be resolved with the purchase of 1 or 2 laptops. Suzanne will get information for next meeting about computers.
Computers- Over two thousand people in comparison to last year have been using the public computers.
Outreach- Assisted living book club has been going well as has the limited home delivery program. Patrons call and ask to make sure that Suzanne is still coming.

Public Comment:
Matthew Haggerty had presented a possible Eagle Scout project he could do. He wants to build an informational display case to have in the parking lot. He will come to next meeting with more information about footing and when he will build it if the board agrees.
