   d. Rescue 17 Amkus repairs and service is still pending.

11. Company Events: No January events scheduled.

12. Chiefs Comments:
   a. A/C Lombardi: None
   b. A/C Tomasheski: Stated that we need to improve the response to calls. We are not getting apparatus to respond in a timely fashion and manpower is limited. A discussion followed regarding unknown members that have complained outside of the chain of command that they will not respond to alarms because apparatus is always cancelled. Discussion followed and Chief Cronin stated that we will not let apparatus continue to incidents unnecessarily, the liability and risk is too great. Apparatus should be cancelled if there is no need for it or its manpower on a scene.
   c. A/C Zaniewski: Stated that he is still working to have all members with salamander ID cards. This is our accountability system and all members need to submit the paper work and be photographed.
13. Public Comment: None

Seymour Fire Department
Awards Program

The Seymour Fire Department Awards Program is intended to recognize the extraordinary efforts made by members of the department, as well as life saving measures performed by ordinary citizens during the course of a given year. The awards will be given based on the specific criteria that are laid out in this document. The Seymour Fire Department will hold an awards ceremony in the month of November where members earning awards will be honored.

There shall be an awards committee made up of one (1) Chief Officer, two (2) line officers (one from each company), and two (2) firefighters (one from each company). The awards committee shall meet in the month of October and review all award nominations. Award nominations shall be submitted for the period of October-October by the end of September. Award submissions shall be delivered to the Chiefs office or submitted to awards.sfd@gmail.com.

Nominations may be submitted by any member but must contain the following:
- Written report of the incident and actions of nominee at said incident
- Incident Number, date, location
- Witnesses
- Contact info

The awards and criteria for receiving them are as follows:

**Legion of Honor**

The Legion of Honor may be awarded for permanent injury in the line of duty. It may also be awarded to a Firefighter who is hospitalized as a result of a line of duty injury or who is prevented from returning to active service.

**Medal of Honor**

The Medal of Honor shall be the highest award that may be presented to a member of the Seymour Fire Department. It shall be awarded in exceptional cases only, where a hazardous duty is performed and during which act he or she is exposed to bodily harm. It shall be an outstanding act in the line of duty and involve imminent personal hazard to life with full knowledge of the risk involved.

**Medal of Honor (Posthumously)**

The Medal of Honor (Posthumously) shall be presented to the family of a Firefighter killed in the performance of his or her duty.
Bravery Medal
The Bravery Medal may be awarded to a member of the department who performs a brave act, beyond the call of duty, exposing him or herself to bodily harm. This award applies to performance of a brave act in a sudden emergency that results in the saving of an endangered life, or performs extraordinary while confronted with apparent danger to his or her self.

Honorable Service Award
The Honorable Service Award may be awarded for a creditable act in the line of duty, which meets some but not necessarily all of the requirements for other awards. This act should be unusual in nature, showing initiative and accomplishment.

Unit Citation
The Unit Citation may be awarded to members of an individual operating group for exceptional performance at a cited or non-cited incident. This award may not include all groups or companies operating at the same incident.

Exceptional Duty Award
The Exceptional Duty Award may be awarded for a highly creditable accomplishment outside the line of duty bringing public acclaim to the individual or to the Fire Department. This may be the result of training, devotion of duty or service to the public.

Educational Achievement Award
The Educational Achievement Award shall be awarded for the completion of a degree in Fire Science or for the introduction of a new educational Method or device that is adopted by the Department. This will also include new or improved tactical procedures.
