Tony Caserta and the Fire Department came quickly and evacuated the building. Bill Jarvis cut the power to the building. Roger Foster, Alex Danka and Bill Jarvis were great to the library and they made it possible to open the library on time on Wednesday.

Public Comment: Mike Flynn suggested a Model Train enthusiast to come to the library and Suzanne is going to pass the idea along to Ann.

Old Business:
Motion to add Landscaping as 6A.
Motion to accept: Joyce Koslowski; Seconded by Debbie Wasikowski. Approved 7:0:0

Painting: Falcioni Quote-
The quote for painting downstairs is $4500-$5000. Money was moved from the CD to the library checking account to get the painting going in the basement.

Landscaping-
Debbie went to town hall to inquire about if we needed to use public works or if we could have volunteers. Suzanne talked to Roger Foster, he may OK it but he needs to look it over and approve it. Suzanne talked about having a place to read outside.

New Furniture-
Computer Table: School didn’t get back to Suzanne about making a table. She will look for tables with a CPU holder.
Workstation: Maybe friends of the library will help.

Inquiry access for Assistant Head-
Board okayed Lisa having access.

New Business:
Laptop for Library-
If a new laptop was bought it would stay in Lisa’s office for easy access. The laptop would be beneficial in cases of power outage as the library would keep it charged. Training Sessions would be easier with a laptop so people would not get annoyed with the talking in the computer area. IT recommends a Dell.

By-laws of Board/Vice President-
The by-laws need to be updated, having a sub committee would help. Recommendations for what needs or doesn’t need to be changed for next meeting. On Agenda for next month.

Fiber-Optics/Phone-
A new phone system is coming very soon. The bill will go up. Fiber optics: Benefit for patrons and will occur July 2017. Internet after that will cost $150/month. Possible Grants to pay for it.

Endowment Budget-
Will have to be voted on next meeting. Suzanne talked over and explained the Endowment and Projected Budget. Alterations were suggested and will be presented next month.
