ITEM #5: Discussion with Town Counsel to review timeline and other important milestones.
The attorneys called attention to a document titled Charter Revision Process (copy attached to these minutes) which was distributed prior to the meeting being called to order. They reviewed the process and timeline for completing the charter revision process. They called particular attention to the requirement that the CRC hold at least two (2) public hearings to solicit comments regarding the Charter
early in the process, and then to review the draft report developed by the CRC prior to the draft being submitted to the Board of Selectmen. Messrs. Buturla and LeClerc stated that one or both of them would attend CRC meetings as appropriate, and would also keep the CRC members aware of the timeline required by the State of Connecticut.

ITEM #6: Discussion with First Selectman to review scope of work to be done.
Mr. Miller stated that while the Board of Selectmen had not yet discussed nor had they set parameters regarding the scope of the CRC’s charge, it was his personal opinion that the entire Town Charter should be open for the Commission’s review and recommendations.

Mr. Miller noted that for the CRC to meet the timeline required by the State of Connecticut as outlined by the Town Counsel in Item #5 above, the work of the Commission must be completed by the week of September 10, 2018.

ITEM #7: Discussion and possible action regarding future meeting dates for 2017.
Following discussion, it was the consensus of the members present that the CRC should hold regular meetings at least once per month, with the right to call special meetings as deemed necessary by the Chairperson or by a majority of the members of the Commission. A schedule of regular meetings will be proposed at the September 19 meeting.

Next Meeting Dates and Times (location to be determined and disseminated prior to meetings).
CRC Regular Meeting: Tuesday, September 19, 2017 at 7:00pm
Public Hearing: Wednesday, September 27, 2017 at 7:00pm

ITEM #8: Public Comment. None.

ITEM #9: Commission Members Comments.
CRC members and Town Counsel representatives introduced themselves and provided brief synopses of their employment backgrounds and their previous experience on Town Boards and Committees.

Ed Hendricks asked that CRC members wishing to send general emails or materials to the full membership of the Commission send them instead to the Secretary who will then forward or otherwise disseminate the emails or materials to the rest of the members. This will assist in maintaining a paper trail and transparency.

Bob Findley offered to design a Project Plan for the Commission’s use in making sure important deadlines are met and that milestones are established.

Rob VanEgghen offered to work with the First Selectman’s Office to compile a list of Town Department, Boards, Committees and Commission leadership to aid the CRC in soliciting input and conducting interviews pertinent to the Town Charter.

Atty Buturla agreed to send CRC members a copy of the current Town Charter as on file with the State of Connecticut plus a “red-line” copy of the Charter showing edits and amendments made to the Charter during the work of the most recent Charter Revision Commission.
