Item #1: Call meeting to order
The meeting was called to order at 7:32 PM.

Item #2: Pledge of Allegiance
All present stood and recited the Pledge of Allegiance.

Item #3: Public comment
There was no public comment.

Item #4: Ongoing projects
No updates were available for the Bright Ideas Grant.
The Town of Seymour now owns the streetlights in town as part of the LED streetlight conversion. An audit of the streetlights will be presented to the Board of Selectmen at the next meeting.
The Town of Seymour is seeking a grant for a microgrid through Advanced Energy Efficiency. This effort is part of a Zero Emissions Renewable Energy Credit (ZREC). The microgrid will cover areas of the downtown including the health district, police station, Stop & Shop and several other buildings. Advanced Energy Efficiency will be contracted to put together a bid.
The Town of Seymour is seeking a grant for solar and other energy efficiency improvement projects through Advanced Energy Efficiency. This effort is part of a Low Emissions Renewable Energy Credit (LREC). The projects seek to lower the energy cost of maintaining several of the public buildings, specifically the high school.

Item #5: Potential projects
Further discussion occurred on the idea of a community garden. The needs for a garden were discussed including water, public access, parking, space, lights, etc. Potential options for location were discussed including Sochrin’s Pond. Ideas for how to construct the project included state grants, donations, and Eagle Scout project(s).
Idea to create an online group for plant and wildlife spotting was discussed. The idea is to set up a social group online where residents can capture pictures of plants and animals around the town and tag/post them for all to see.
The idea was discussed to begin a quarterly trash clean up starting next spring to clean up parts of the community with excess litter.
Item #6: Community Garden
A motion was made to pursue the creation of a community garden.
