Ms. Magri said the Debate Tournament hosted by Seymour High School was amazing. 99 or 100 teams participated in this first competition of the year. We were not expecting so many teams and every space in the school was used even the custodians' break room! Kudos to Ms. Monaco who did a great job and everything went really well.

C. Committee Reports

1. Finance Committee Meeting Minutes – October 2, 2017

Mr. Hatfield, chairperson of the Facilities Committee said he wanted it to be clear that the purchase of the shed was never discussed by the Facilities Committee. Ms. Harmeling confirmed that it was not sent to the Facilities Committee and ultimately, it was not purchased. He asked if the Finance Committee will be sharing with the entire Board what was discussed in Executive Session. Ms. Harmeling said because it was in Executive Session it would not be shared.

2. Athletic Committee Minutes – October 11, 2017

Mr. Strumello shared that Mr. Freund and Ms. Yusko will be redesigning where the trophies will be displayed so that the Seymour High School Sports Hall of Fame can be better highlighted. He explained there was a discussion regarding Seymour Pop Warner getting free admission to Seymour High School Football games when they are wearing their jersey. Ms. Yusko asked about what the policy was and there was discussion about the equity among teams. It was suggested that we have some kind of "night" for the teams. Mr. Stanek said he liked this idea. This would have to be referred back to the Athletic Committee for refining and defining and then brought to the full Board for approval.

D. MAP Assessment Results Fall 2017 – Vonda Tencza

Ms. Tencza said she was doing a broad overview of the Fall Assessment results. She said these results are used instructionally by the teachers to coach the students. Mr. Kubik asked about why the expectations descend from Kindergarten to grade 10. Ms. Vonda explained that this was a natural as there is less growth as the student ages. Ms. Harmeling said each student gets their expected growth based on the individual scores and the expectations. Ms. Tencza said we are watching the numbers and the trajectory. Ms. Harmeling asked if everyone takes the assessment including the Special Education students. Ms. Tencza confirmed everyone takes the assessment. Mr. Kubik asked if some of the lower scores represented a teaching issue. Ms. Tencza said this is part of what they are trying to determine. Ms. Tencza said our three year trends should be an incline and overall, our trajectories are where we want them to be. In Science, we performed better than the National norm. The Fall Math Assessment is not strong and we will be working on it. Mr. Kubik asked if we have implemented changes. Ms. Tencza said we are implementing those changes now. Ms. Harmeling said these assessments identify those students who need extra support. Ms. Tencza talked about the MAP Student Profile Report. Ms. Harmeling asked if these are shared with the students. Ms. Tencza said many teachers share these reports during their goal meetings for individual students. A paper copy of the Student Profile Report is given to parents. Mr. Strumello voiced some concern about Parents having enough time during their 10-15 minute conference to understand this data. Ms. Tencza said with the involvement of the student, the parents will get an explanation of their child's goals. The parent form is very easy to understand.

E. Board of Education Report

1. Chairman’s Comments

Mr. Putorti said there were no surprises with the election. He acknowledged the two new members of the Board of Education, Mr. Christopher Champagne and Mr. Edward Hendricks. He wished everyone well and said he felt that Mr. Wilson is doing a good job. He thanked Ms. Dauerty for her secretarial support over the years.

2. Board Member Comments

Mr. Kubik introduced Mr. Champagne who was in the audience. Mr. Garofolo mentioned that some lights were out on the covered walkway outside of the middle school. Mr. Stanek thanked Mr. Putorti for his years of service on the Board and as Chairperson. He also said the Memorial Day Parade committee is looking for groups to march in the parade. Mr. Strumello wondered why the professional development was held at the middle school when voting was also going on there. Ms. Harmeling thanked Mr. Putorti for his service.
F. Superintendent Report

Mr. Wilson reported that he, along with several others from the district, attended the 16th Annual Celebration of School Leadership which honored, among others, Mr. Ernie DiStasi as Middle School Assistant Principal of the Year. He reported that Mr. DiStasi did a great job on his speech. On Election Day, November 7, 2017, teachers attended full day professional development. Mrs. Tencza did a wonderful job and she was able to secure several teachers to present on a variety of topics such as Google Classroom, Google Apps, Writing workshops, Khan Academy, and Math workshops. He said the room where teachers were taking student assessments was the most competitive room in the place. He said they would look into having this professional development at a different school in the future. He said we are now up to 700 followers on Facebook. He reported that he continues to attend sporting events and is very proud of how well our students have performed. A special recognition goes out to our NVL Champion Volleyball team. He also attended the Poetry Night held at Chatfield-LoPresti School. On October 12, Mr. Wilson participated as a panel member for the Leadership in the Greater Valley Program. Various local business members attended and were able to ask him questions about what it is he does as well as what is taking place within our great schools. On November 2, Mr. Wilson attended the Superintendents meeting at Valley Regional Adult in Shelton where the director shared with us the great progress that the students were making. We had the opportunity to tour the classrooms and to meet several of the adults in their ESL program, several of which were from Seymour.

VIII. ITEMS FOR DISCUSSION

A. Budget

This was put on the agenda in order to wrap up the budget issue. The state did not change our ECS funds much. We are in good shape and Mr. Putorti is happy we didn't waste too much time trying to figure out cuts. Ms. Harmeling asked to confirm that the Town has not asked us to remove anything and Mr. Putorti confirmed that is correct. Mr. Stanek reminded everyone that this is an ongoing crisis and we need to be careful.

C. Request to Add a New Position of Board Certified Behavior Analyst – Kris Boyle

Mr. Garofolo asked what is prompting the need for an additional Behaviorist. Dr. Boyle explained that it has to do with the current caseload of our behaviorist and the number of students who need services that are moving into our district. Mr. Garofolo asked if the work would be split equally between the two behaviorists. Dr. Boyle said this would be looked at after the person is hired but the hope would be that the work is split equitably. The cost of this position would be covered by the grant and by the savings of not needing to continue with the outside agency. Mr. Boyle explained that the behaviorists follow a schedule that would be flexible based on the needs of the students but both would work the same hours. Since the behaviorists have 12-month contracts; Mr. Garofolo wanted to know what they would do during the summer when students are not in school. Dr. Boyle said a good portion of their summer schedule is taken up by responsibilities with the ESY program, which is a 4-week and a 6-week program.

MOTION: (Ms. Harmeling/sec., Mr. Kubik) to approve the recommendation of Dr. Kris Boyle to add an additional position of a second full time Board Certified Behavior Analyst
