### Item #9 - New Business

Bill Sawicki received information that there is a new (effective 7/1/18) Federal Purchase Policy; for ANY purchases made with federal monies. This includes grants, bidding, etc. There are three levels (methods) – purchases of: $1 to $3,500, $3,501 to $150,000, over $150,000. We need to have written policies in place in our town purchasing policies specifying these guidelines. Not just something that says “complies with Federal Spending Guidelines”. We need to put the specific policies & guidelines in our policies. This could be something that the auditors will check on.
Bill asked if Doug Thomas could have these Federal Purchasing Procedures & Policies incorporated into our town policies and bring this to the September meeting.
