  The fiscal year for the Town of Seymour shall run from July 1 of each year through June 30 of the next year.

  The Board of Assessment Appeals shall meet in the manner provided in § 12-110 of the Connecticut General Statutes.

  All Boards seeking an appropriation shall make their requests for the ensuing fiscal year not later than February 1st of each year by filing twelve (12) copies of the same with the Town Clerk who shall forward a copy to the First Selectman and
Finance Director. The First Selectman shall review the budgets with Department Directors and the Finance Director and make such comments and recommendations to the Board of Finance as deemed appropriate. If a request is not filed, the First Selectman and Finance Director shall make their own best estimate of the needed appropriation.

The Board of Finance shall on or before April 1 of each year file with the Town Clerk such appropriations as it recommends in the form of a proposed budget and proposed tax mill rate.

The Board of Selectmen shall receive the budget from the Board of Finance by April 15th. Any changes recommended by the Board of Selectmen shall be resubmitted to the Board of Finance, which will call a special meeting to approve, reject or amend such recommendations. The budget shall then be submitted to the Board of Selectmen by the third Tuesday in April, call an annual Town Meeting no later than May 1st to recommend changes to the budget, revenues, debt service and legal obligations. There must be a quorum present during the annual Town Meeting in order for the budget to go to referendum. The Quorum necessary to transact business at the annual Town Meeting shall be fifty (50) persons qualified to vote at the meeting. At a duly called annual Town Meeting, the moderator may adjourn the meeting if a quorum is not present, and a majority of the Board of Selectmen shall thereafter meet and forward the budget to a referendum vote, at an adjourned Town Meeting. The purpose of this section is to permit the orderly process of business, upon matters technically requiring annual Town Meeting action, but practically proving of insufficient public interest to obtain a quorum.

The Board of Finance shall set a tax mill rate for the ensuing fiscal year.

After adoption of a budget, special appropriations and transfers from one account to another needed for any purpose shall be made in the same manner provided by Chapter 106 of the Connecticut General Statutes. The grand list shall be completed in accordance with the Connecticut General Statutes.

The Town Budget calendar shall be subject to requirements of the Connecticut General Statutes insofar as any specific language of the Connecticut General Statutes supersedes the requirements of the local charter provisions.

(b) **Duties of the Board of Finance on the Budget.** By the first Tuesday of December the Board of Finance shall send out budget request forms through the Finance Director to all Town Departments, Boards and Commissions to be returned no later than the first/third Tuesday of January of each year to the Finance Director. No less than thirty (30) days prior to the Annual Town Meeting, the Board of Finance shall determine the probable total income of the Town for the forthcoming year, along with any projected deficits with the assistance of the Finance Director. These figures shall include an estimate of all the funds from local, state and federal sources, which will or may be available to the Town. The Board of Finance
shall afford each board an opportunity to be heard on their requests. It shall then revise the estimates as it deems necessary and prepare a proposed budget for consideration at a public hearing or hearings to be called no later than April 10th. Notice of such budget referendum hearing shall be given by publication in a newspaper having substantial circulation in the Town and the Town website at least ten (10) calendar days before such referendum hearing. Printed copies of the proposed budget shall be available for review at the Office of the Town Clerk and Public Library, and electronically available on the Town website, for seventy-two (72) hours in advance of the referendum hearing.

The printed budget shall minimally show the following information:

1. A statement of estimated revenues to be received by the Town and a statement of the current years anticipated revenues.

2. All estimated expenditures for the next fiscal year.

3. Columns comparing last year's approved line item budgets with this year's recommended line item budgets, as well as intra-line transfers.

4. The Board of Education's budget in total, listing adjustments made by the Board of Finance on the bottom line, unless otherwise provided by the Connecticut General Statutes.

5. An appropriation, if desirable, for a capital reserve fund in an amount not to exceed one (1%) percent of the total recommended expenditure for the fiscal year.

6. An estimate of the available cash surplus, or deficit, projected for the current fiscal year and other items as required by the Board of Finance.

After the public hearing or hearings are held, the Board of Finance shall approve a final budget for presentation to the Town Clerk at least five (5) days prior to the Annual Town Meeting. A copy shall also be filed in the Public Library at the same time.

The Annual Town Meeting shall be held not later than May 1st for the following purposes:

a) To consider and recommend changes to the budget, revenues, debt service and all legal obligations. Legal obligations shall include any obligation conferred on the Town by Federal law, State law, Town Charter requirements and contractual obligations. The Finance Director of the Town and the Chief
Financial Officer of the Seymour Public School System shall supply the Board of Finance each year with the specific legal obligations no later than the third Tuesday of January.

To consider and act upon such other business stated in the Call of the Meeting.

Each Board chairman shall have representation present at the annual Town Meeting to discuss that Board's activities and answer any questions that townspeople might have about budget requests.

The Annual Town Meeting shall have the power to decrease or delete any appropriation or item within an appropriation except those listed in section (a) above: revenues, debt service, and all legal obligations. No appropriation shall be made for any purpose not recommended by the Board of Finance. The Board of Education's budget as recommended by the Board of Finance shall be considered as a single bottom line appropriation, unless Connecticut General Statutes provide otherwise.

If the referendum vote at an adjourned Annual Town Meeting rejects the budget or either part thereof the rejected budget portion shall be reconsidered by the Board of Finance within five (5) business calendar days. The duly called meeting shall be noticed in the local paper and posted on the Town website at the direction of the Chairman of the Board of Finance without the necessity of a meeting of the Board of Finance, and public comments shall be allowed and shall be limited to budget recommendations and proposals for consideration by the Board of Finance during its deliberations. The Board shall then approve a revised budget or part thereof for presentation at a second referendum vote at an adjourned Annual Town Meeting. The Annual Town Meeting shall be adjourned to referendum by the Moderator. In case of further rejection this process shall be continued using a five (5) calendar day period for reconsideration by the Board of Finance until a budget is adopted.

(c)

Adoption of the Budget. The Town of Seymour budget shall mean both the general government and Board of Education budgets combined. Adoption of the general government and Board of Education budgets shall be by referendum vote at an adjourned Annual Town Meeting held on the second Tuesday in May not less than seven (7) calendar days or more than eighteen (18) days thereafter. The referendum vote shall be by machine ballot. Prior to the budget referendum Annual Town Meeting, the Board of Selectmen shall see that a summary of the budget is published in a newspaper having a substantial circulation in the Town and that a complete copy is available on the Town website and filed and copies made available through the Office of the Town Clerk. Line item breakdowns of expenditures used by the Board of Finance in determining its final budget shall also be made available to the Board of Selectmen and each Town board upon request.
Immediately after the annual budget is approved, the Board of Finance shall meet and lay a tax on the Grand List sufficient in addition to the other estimated yearly income of the Town, to pay the expenses and anticipated appropriations of the Town for the coming year, and also to absorb any deficit of the Town at the end of the preceding fiscal year.

Further referendum votes at subsequent adjourned Annual Town Meetings, at the discretion of the Board of Finance shall be held not less than seven (7) or more than eighteen (18) calendar days after the previous prior adjourned Town Meeting referendum vote.

The questions to be voted on at such adjourned Town Meeting shall be presented on the ballot as follows:

a. Shall the Town General Government Budget, as recommended by the Board of Finance of (dollar amount) for the fiscal year (specify year) be adopted?

b. Shall the Board of Education Budget, as recommended by the Board of Finance, of (dollar amount) for the Town of Seymour for the fiscal year (specify-year) be adopted?

The voters shall be given the option to vote either "Yes" or "No". If the both budgets are rejected after revisions by the Board of Finance, the both budgets shall be resubmitted to the ballot by the initial adjourned Annual Town Meeting. In case of further rejections, the aforesaid process, under this section, shall be repeated until said budgets are accepted.

If only one of the aforesaid budgets passes, that budget shall be deemed to be approved. The budget question that is rejected shall be resubmitted to the ballot by an adjourned Annual Town Meeting after revision by the Board of Finance and resubmitted again after further rejection and further revision by the Board of Finance until said budget is accepted. If the budget is not adopted by June 15 the Town shall send out real estate tax bills based on the same taxation figures and adjusted mill rate of the prior fiscal year, which would include adjustments for the new revenues, debt service, and legal obligations for the next fiscal year, which begins on July 1. After the complete budget is passed the balance of the real estate plus personal property and motor vehicle tax bills shall be sent out based on any change brought about by referendum vote.

Absentee ballots will be available for the aforesaid adjourned Annual Town Meetings by referendum from the Registrars of Voters. Copies of all budgets and revised budgets shall be available at each polling place.

In the event that the general government and/or Board of Education budgets are not approved after repeated referendums through August 31, but have been
reduced to the point of meeting debt service and legal obligations, then the budget shall be deemed to have been adopted. The Board of Finance shall certify by a majority vote that such a budget has been adopted.

The Tax Collector shall then collect the tax in accordance with the Connecticut General Statutes. The Tax Collector shall keep the Board of Finance and the First Selectman informed monthly as to the progress of collections. Taxes of real property shall be due and payable in two installments. The first installment shall be due July 1 and delinquent August 1. The second installment shall be due January 1 and delinquent February 1.

- Section 12.4. - Fiscal process.

The fiscal year of the Town shall begin on the first (1st) day of July and end on the thirtieth (30th) day of June. The accounts for the Town shall be maintained in accordance with Generally Accepted Accounting Principles (GAAP) as promulgated by the Governmental Accounting Standards Board (GASB), the principles promulgated by the National Committee on Governmental Accounting. The Board of Finance shall review the budget monthly. It shall work closely with the Finance Department to assure that expenditures will be controlled and that the Town budget is not in an illegal deficit position at the end of the fiscal year. If a deficit does exist, the Board of Finance must make provisions to fund the shortage in the next fiscal year’s budget.

(a)

Special Appropriations and Transfers. The Board of Education may, in accordance with Connecticut General Statutes, transfer unexpended balances from one account to another within their total line appropriations. No transfers can be made without the Board of Education’s approval. The Board of Education shall inform the Board of Finance of each transfer made.

Other Town boards shall be permitted to transfer amounts between accounts in their budget with Board of Finance approval and without regard to the number of transfers, provided such transfers in the aggregate do not exceed the total bottom line budget approved by the Annual Town Meeting. Any board considering a transfer between line item accounts in their budget of an amount which exceeds the bottom line established by the Board of Finance and approved by Town Meeting action, shall make a written request to the Board of Selectmen for approval of such transfer. The Board of Selectmen shall forward the request with their recommendation and approval to the Board of Finance for action.

(b)

Supplemental Appropriations—Board of Selectmen and Board of Finance Action. All requests or supplemental appropriations by any board shall be made in writing to the Board of Selectmen. The Board of Selectmen shall submit such written
requests along with any comments or recommendations and approval to the Board of Finance for action within thirty (30) calendar days of receipt of the same.

Any supplemental appropriation requested by a board may be acted upon by the Board of Selectmen and Board of Finance, without regard to the number of supplemental appropriations previously approved for that board, provided that the current request, when considered either by itself or when added to supplemental appropriations previously approved during the current fiscal year for the board, does not exceed $100,000. The Board of Finance may make a supplementary appropriation to the requesting Town board of an amount not exceeding $100,000 without the approval of a Town Meeting.

When the Town maintains a Reserve Fund for capital and nonrecurring expenditures in accordance with this Charter and/or Connecticut General Statutes, payments into and appropriations from the reserve fund shall be made only upon recommendations of the Board of Selectmen and the Board of Finance if the monies are used for the purpose for which they were collected. If the monies are not to be used for the purpose for which they were collected, then appropriations from the reserve fund shall be made upon recommendations from the Board of Selectmen, Board of Finance, and Town Meeting action regardless of the amount involved.

The Board of Finance may approve, lower, or reject but not increase the amount of any supplemental appropriation upon which it is acting. It shall act on all requests for supplemental appropriations and/or transfers within thirty (30) calendar days of receipt of such request.

The Board of Finance shall request that the Board of Selectmen call a Special Town Meeting for final action, supplemental appropriations exceeding $100,000 and supplemental appropriations of less than $100,000, if when added to supplemental appropriations previously approved in the current fiscal year for a particular board, they exceed $100,000.

(c)

Supplemental Appropriations-Town Meeting Action. A Special-Town Meeting may approve, lower or reject but cannot increase a supplemental appropriation properly brought before it. It may make no appropriation or transfer of funds not recommended by the Board of Finance and the Board of Selectmen. The provisions of this section shall not be a limitation on the power of the Town to issue bonds or other obligations for appropriations or indebtedness in accordance with the Connecticut General Statutes and this Charter.

(d)

Emergency Appropriations. The Board of Selectmen, acting pursuant to a declaration of a state of emergency, shall be empowered to make appropriations for the purposes of meeting a public emergency threatening the lives, health or property of citizens, provided such appropriations shall receive a favorable vote of
at least a majority of a quorum of the full Board of Selectmen. Emergency shall be restricted to "natural disasters" and other "unforeseen events." Written notification of such appropriations shall be given within forty-eight (48) hours to the Board of Finance and a copy thereof posted as required by law.

(e) **Capital Reserve Fund.** There shall be a Capital Reserve fund for capital and nonrecurring expenditures, as provided for by the Board of Selectmen and the Board of Finance and approved at the Annual Town Meeting. Said fund shall be used for capital and nonrecurring expenditures for the planning, construction, reconstruction and/or the acquisition of any specific item of equipment.

The Capital Reserve Fund may be discontinued upon the recommendation of the Board of Selectmen and the Board of Finance and upon approval at a Town Meeting called for such purpose. After the discontinuance, any balance in the fund shall be transferred to the General Fund of the Town.

(f) **Borrowing.** The Town shall have the power to incur indebtedness by issuing its bonds or notes as provided by the Connecticut General Statutes. Borrowing in lieu of taxes shall be authorized only after it has been recommended by the Board of Selectmen and the Board of Finance, and approved at a Town Meeting by a majority vote of a quorum of those eligible to vote and voting.

(g) **Over Expenditures.** No member of any board of the Town shall expend any funds or enter into any contract which would oblige the Town to expend funds in excess of its approved appropriation. If any member violates this provision and obligates the Town to expend funds in excess of its approved appropriation, except in payment of final judgments rendered against the Town, that member may be liable in a civil action in the name of the Town as provided in the Connecticut General Statutes.

(h) **Long Range Financial Plan.** The Board of Selectmen, with assistance of the Finance Director, as well as the Board of Finance, shall annually submit a long range financial plan for the Town covering the next five (5) year period. This plan is to serve as a guide for boards to follow when they prepare their budgets.

• **Section 12.5. - Annual audit.**

The Board of Finance shall annually appoint an independent public accountant or firm of independent public accountants to audit the books and accounts of the Town as provided in the Connecticut General Statutes. The auditor may make recommendations for improvements in the method of keeping the Town records, but such recommendations shall not become effective until approved by the Board of Finance. The audit is to be received by the First Selectman and the Board of Finance no later than December 31st of the year in which the previous fiscal year is completed.
The First Selectman/Board of Selectmen may extend this date if extenuating circumstances prevail. The auditor and Director of Finance shall assist the Town in preparing the extension form, and shall have the extension request prepared for the submission to the Board of Selectmen for the Board's last meeting held in November following the June 30 year end under the audit. If approved by the Board of Selectmen, the extension shall be signed by the First Selectman, Chair of the Board of Finance, and the auditor; and the Finance Director shall submit the approved form to the State of Connecticut's Office of Policy and Management.

The Board of Finance may call for a special audit upon the change of administrations, the death, resignation or removal of a Town official, or in cases of suspected malfeasance.

Prior to transacting the business
of any Special Town Meeting pursuant to the provisions of this section, the Board of Selectmen shall determine by resolution that the failure of the Special Town Meeting to obtain a quorum was not due to inclement weather.

(g) The Procedure for the Town Meetings shall be as follows: The First Selectman or his representative shall call the Town Meeting to order and turn it over to the appointed moderator. The Town Clerk shall serve as clerk of the meeting. In the absence of the Town Clerk, the moderator shall appoint a clerk.
