Minutes, Acceptance Regular Meeting October 22, 2018

MOTION: M. Flynn/J. Forsyth to approve the minutes from
the October 22, 2018 regular meeting.
Motion Carried: 5-0.

Wetlands permit application and storm water management plan for Allen
Industrial Park; 94-98 Silvermine Road.

Atty. Dominick Thomas, 315 Main Street, Derby was present for the
applicant. He stated that his client decided to retain another engineer and
new plans have been submitted. Land Tech has also submitted a report.

Robert Pryor and Chris Allen were also present. Mr. Pryor stated that the
plan is very similar to what was previously presented. There are three
additional warehouse type buildings being constructed on the site. He also
stated that the plans now address most of the comments from the town
engineer. He stated that they developed details for the slope and were
able to pull it a little further away from the wetlands. There is nothing within
the wetlands buffer. The wetlands report shown no impact to the existing
wetlands. He stated that they are providing a reduction from what was
there before. He also stated that they will address any further comments from the town engineer.

Bryan Nesteriak stated that he did a quick review and will have comments by next week. He stated that they have addressed a lot of his comments and the majority of disturbance is all vegetation. P. Wetowitz asked if there is any significant activity. B. Nesteriak stated that he did not feel there was if it is built as proposed.

P. Wetowitz felt a new application should be submitted because of the time delay. Atty. Thomas stated that he did not feel that was necessary and stated that they would grant any extensions necessary. He started that they do not feel there is any significant impact. P. Wetowitz stated that this will be forwarded to the town engineer for comments at the January meeting.

Atty. Thomas stated that the existing stockpile will be used for construction and there is no evidence of the stockpile eroding. J. Forsyth felt that it was important to get comments from the town engineer. P. Wetowitz stated that the wetlands are not being impacted. Atty. Thomas stated that there is no adverse impact. P. Wetowitz stated that a report was submitted indicating no significant impact and the toe of the slope has been pulled further back.

**MOTION:** B. Koskelowski/T. Connors that this is not a Significant impact to the wetlands.
Motion Carried: 5-0.

5 MacConnie Court – Request for extension of site plan.

Eric Suidol stated that they are asking for a five year extension. The application was approved in 2013 and nothing has been done on the site. J. Baldwin stated that they have a proposed site plan that was approved
and any changes would have to come back to the Commission for review and approval.

MOTION: T. Connors/B. Koskelowski to grant the five year Extension.

Bungay Terrace Estates Subdivision – Section 3 request for extension.

Atty. R. Uskevich was present and stated that the subdivision was approved in 2010 and they are asking for an additional five years. He stated that there has been no activity on the site. J. Baldwin stated that he did not see any problem with granting the requested extension.
