Item #6 - Review of 2017/2018 Audit Presented by the Auditors

- One significant deficiency – to do with some transfers – does not affect the bottom line.
- Two control deficiencies – student activity funds (expenditures not properly supported by documentation); purchase orders done after expenditures.
- General Fund decreased due to transfer to debt service fund to establish that fund – is tentative use; revenue shortfall; decrease in fund balance. This was a PLANNED decrease.
- $2.6 million General Fund, $2.3 million Debt Service Fund
- Notes – no big changes – added disclosure for OPEB

Item #10 - Report from the Finance Director

- Transfers coming up for Town Buildings due to overtime and for the Building Inspector due to combination of departments mid-year transfers for Salaries. Probably will see next month.

Item #12 - New Business

- With regard to the Federal Seizure Fund monies – there are two pots of money: The Federal Seizure Fund and a Community Service Fund (was previously the State Seizure Fund). Chief Satkowski will have
to check the regulations with the Board of Police Commissioners and Town Counsel to see what kind of vehicle would be allowed in using these funds. He is receptive to using these monies, if allowed, for buying a car. This can't happen every year, but for this year should be ok. The $50,000 for car was taken out of the Police Department Budget.

- With regard to Fund Balance Guideline – out of Strategic Plan – looking to get a 12% Fund Balance – we had it at 9% before we moved money around.

Item #13 – Correspondence
None

Item #14 – Discussion of 2019/2020 Budget

- 2.1% increase – Mill Rate @ 36 – page 6 of 25 starts Revenue Detail – on page 9 of 25 we put the 300,000 back in for the Chatfield revenue and adjusted the Fund Balance to 225,000
- Doug will follow up with Art on completing the reimbursement forms; will copy Mike on any e-mails with regard to this situation.
- Correction to front page of budget – in the “Tax Collection Rate – 98.5%” should be 98.6%; and “@ 36.12 Mills” should be 36 Mills. The actual budget numbers are corrected, just the line description is wrong.
- Increase: 1.77% Town – 2.33% Board of Education – most of increase is insurance and contractual salary increases

Barring any changes to these numbers at the Budget Public Hearing, the Board of Finance approves the following:
