Item #6 – Commendation from State of Connecticut for Karen Stanek
State Representative Nicole Klarides-Ditria presented a Commendation for Karen Stanek to Fred Stanek.

- From the General Assembly. This commendation stated, in part: The General Assembly extends its sincerest condolences and expression of sympathy to the family of Karen Ray Stanek. Commended Karen (loving wife, mother, sister & grandmother) for her devoted nature and contributions through her public service on the Board of Selectmen, and with our youth as an educator and trusted advisor to the Seymour High School Mock Trial Team were unsurpassed. She will be truly missed by all who had the pleasure of knowing her.” Fred Stanek accepted the Commendation and thanked everyone again for everything. He said that Karen is certainly looking down with appreciation to all of you.
Item #7 – Discussion & Take Possible Action Regarding Hiring of Deputy Fire Marshal
The First Selectman read a letter from Clay Jurgens, Chairman of the Board of Fire Commissioners recommending Robert Rockwell for the position of Deputy Fire Marshal.
Also, the following letter from Fire Marshal Timm Willis details Mr. Rockwell's accomplishments and qualifications:

Dear Chairman Jurgens,

I am writing to your Board in regards to the appointment of a new full-time Deputy Fire Marshal for the Town of Seymour. The committee put together by First Selectman Miller has met with and interviewed numerous candidates and come up with its selection for the position. The committee has chosen Robert Rockwell of Shelton, Connecticut.

Mr. Rockwell comes with a wealth of knowledge and experience in the fire marshal field. He has over 30 years in the field and has worked in all different facets of inspection. He is a former President of the CT Fire Marshal’s Association and is well established in the fire prevention community. I look forward to the progress we can make as a team to better serve not only the Fire Department, but also the community of Seymour.

The Board of Selectmen do not choose the position of Deputy Fire Marshal, we approve the recommendations of the Board of Fire Commissioners. Timm Willis said Mr. Rockwell’s resume speaks for itself. He would feel very comfortable working for him and working with him. He has over 30 years’ experience as a Deputy Fire Marshal. Also, he is from the Valley and know the roads of Seymour.

Mr. Rockwell introduced himself to the Board. He said he grew up in Shelton, still is an interior firefighter at the Echo Hose and has been for 40 years. He is looking forward to working with Timm here in Seymour. He has known both Paul Wetowitz and Timm Willis for a while.

His start date will be May 6, 2019.

Motion to accept the Board of Fire Commissioners recommendation to hire Robert Rockwell for the position of Deputy Fire Marshal effective May 6, 2019.

Item #8 – Discussion & Take Possible Action Regarding 38 Nichols Street Blight Fine
In October we discussed that the house was not in the best condition. The owner had some family concerns in Ecuador and needed some time to complete renovations. At that time, this Board gave him a timeline to work with the Building Department to obtain proper permits, complete renovations and obtain a Certificate of Occupancy by April 5, 2019. The outside of the house is completely done, new siding, roof is done. The only issue is that he is still working on the interior of the house and does not yet have a Certificate of Occupancy. Over the past 4-5 months he has definitely done what we asked – to clean up the outside and make it presentable. Kurt Miller would like to recommend giving him a little time – continue to keep the blight fine frozen. The most important thing is not the money, but to get the house fixed up. This is not a flip-house – he wants to live there.

Kurt Miller thanked Mr. Urgiles for all the work he has done on the property and asked if he had a time frame for when the interior renovations might be completed. Mr. Urgiles said that he had some issues with hiring the contractors from the town, but they were too expensive. He said he just hired some contractors from Derby. He said he had some issues with the electrician and heating guys but has worked that out. He said he needs about two more months to complete the interior work. Mr. Urgiles has been working with the Building
Department to get the permits. Kurt Miller asked that he keep in contact with the First Selectman’s Office if any issues come up. Trisha Danka commended Mr. Urgiles on the fine work he has done on the property and thanked him for keeping his word to fix up the property.

Motion to continue to suspend the blight fines on 38 Nichols Street until July 2, 2019

Item #11 - Discuss & Take Possible Action Regarding Surplus Equipment Auction Agreement

- Rory Burke presented information about AAR Auctions
- We just got rid of 13 surplus vehicles; many of them did not have the title
- The process we need to follow when disposing of these vehicles/equipment is spelled out in the ordinance. This process is very time-consuming especially since we don’t have titles for many items. This company would follow our procedures, we tell them what is surplus. They do the whole thing, we get the price the buyer pays. They tack on an additional percentage fee that the buyer pays.
- Bob Findley noted that some of the negative reviews said that there was some misrepresentation, probably due to not enough information given. So, when we give them information on an item, we should be sure it is correct.
- Rob VanEgghen noted that many of the reviews were from New York. Are there any towns in Connecticut that have used this company? Rory will check with them.
- Currently we do sealed bids for each item delivered to First Selectman’s Office. If no titles, we need to get a notarized letter (some of the VIN #’s were given to us incorrectly), Bill of Sale from DMV. Lots of paperwork for Rory.
- Bryan LeClerc said that in order to utilize this vendor, the Town would need to amend Ordinance 2-281. There is a procedure that we need to follow for ridding of any surplus property (other than real
First, we must ask all other Town departments if they can utilize the item, then must advertise for sealed bids to come to the First Selectman’s Office, there needs to be a 5% certified check with each bid, the Board of Selectmen need to open the bids, the winning bid is posted on the bulletin board at Town Hall. Three days later they need to come pick up the property or forfeit it.

- In this company’s paperwork there is a provision “Buyers Premium” – the auction company gets their money (fee) from the buyer.

Motion that the Board of Selectmen forward to the Ordinance Committee, Ordinance 2-281 Surplus Ordinance for review and discussion.

Transfer to cover cost of snowplowing and road safety. Attached is summary of total snow cost. Clerk salary had savings due to retirement and replacement will not be hired until next fiscal year. Overtime current balance is $18,632 and projected to be $10,000 for rest of year. Contingency was set aside for snow plowing.

Motion to approve Control #9 in the amount of $116,947.54 as requested by Anthony DePrimo, Director of Public Works

Discussion: Additional information was provided from Tony DePrimo. This year materials cost was substantially higher. Stephan asked why we used Contingency – DPW as opposed to Snowplowing. This is because of control.

PLEASE GIVE DETAILED EXPLANATION (attach separate sheet if necessary)

Transfer to cover custodial overtime for weekend projects (mold remediation, sewer backups, window replacements, construction at library, snow removal and to cover workers compensation absence of two months). Human resource director has a budget of $60,000 and director was not hired until April 2019. Two thousand added for spring projects and vacations.

This was to cover some additional custodial overtime that we had not planned for. There were some issues at the Community Center – we are starting to think about a new Community Center, but we knew that this money would be available, so we invested in getting the project done and avoiding future damage to the building.

Motion to approve Control #12 in the amount of $34,670.92 as requested by Anthony Caserta, Director of Operations.
