Old Business –

Letter to Editor, increasing patrons- update

Paula Chapla sent a letter to the editor looking to increase the number of Seymour residents with Library Cards. Discussion and hope that the addition of IndieFlix and the continued offering of Consumer Reports Online would help patrons realize what the library has to offer.

New Business

7. Endowment Budget Vote for Budget 2019-2020

Status Report was viewed with the expectation that there will be money left over from the budget after June.

Discussion of extra funds for Adult Programming. Note was made of the additional programs that other libraries can offer with their funds and wish to make Seymour up to par. S. Garvey did note that staff is limited and that also limits programs offered but she welcomed the extra funds.

Note was made of the need for larger monitors and a new computer to replace one of the patron computers that had aged out.

Prices good for new monitors from Bibliomation- S. Garvey directed to verify price for possible purchase of 15 monitors and one Chromebox to replace the old computer and if price was good- order could be placed. Addendum: Prices were good as discussed with Paula Chapla on May 17- order placed.

Note about obtaining Debit Card. Determination that J. Koslowski and P. Chapla would speak to ION bank and initiate procedure.

A motion to accept new budget was made:
