TO: Honorable City Councilors  
FROM: Mary J. White, City Clerk  
SUBJ: Alewife Fishing Rights at Winnegance Lake & Whiskeag Creek  
DATE: March 15, 2002

---

As you are aware, the City Council of Bath, and the Selectmen of West Bath and Phippsburg passed an Ordinance effective August 28, 1985 creating the "Winnegance Alewife Commission". Therefore, the Commission will take care of the necessary action in regards to the taking of alewives from Winnegance Lake, however, it is still necessary that each town and city, at its own meeting, take action to lease the fishing rights and send copies of its action to the Commissioner of Marine Resources.

The City of Bath still has Whiskeag Creek to designate, and the past custom of the Council has been to retain the fishing rights, and restrict the fishing to "rod and line" only.

## **ORDER**

*Be It Ordered by the City Council of the City of Bath, Maine,* that the Alewife Fishing Rights at Winnegance Lake be operated by the Winnegance Alewife Commission as per Ordinance adopted August 28, 1985, and the municipal rights to take alewives will be sold by the Commission. The Harvest Plan will be submitted by the Commission setting forth in detail the exact conditions under which alewives may be taken, all in accordance with good conservation practices. This plan will be submitted to the Department of Marine Resources by the Commission with City of Bath approval.

**ORDER**

*Be It Ordered by the City Council of the City of Bath*, as follows:

that, the taking of alewives at Whiskeag Creek will be restricted to  
“Rod and Line” only.
