| North Street Improvements | <p>Peter and Andrew provided plans and cross sections of the proposed North Street project scheduled to start next summer. This entire North Street project will extend from Five corners to Washington Street. The project will be implemented in two phases. The first segment is from five corners to High street and will be constructed next summer. The second phase will be from High Street to Washington Street and will take place in 2016. The city has a \$500,000 MPI grant to offset city costs. There is a public Meeting scheduled for January 28th at 5:30 at City Hall. The board reviewed the plan, made minor comments and endorsed the project as a whole. Board members are encouraged to attend the public meeting and support the plan.</p> | |
