**MORATORIUM ORDINANCE
PROHIBITING THE LOCATION AND OPERATION OF RETAIL MARIJUANA
ESTABLISHMENTS AND RETAIL MARIJUANA SOCIAL CLUBS**

The City Council of the City of Bath, Maine hereby ordains as follows:

1. Authority

This Moratorium Ordinance is adopted pursuant to the enabling provisions of Article VIII, Part 2, Section 1 of the Maine Constitution, the provisions of 30-A M.R.S Section 301 (Home Rule), 30-A M.R.S Section 3001 (Ordinance Power), and 30-A M.R.S Section 4356 (Moratoria).

2. Purpose

The purpose of this Moratorium Ordinance is to temporarily prohibit the location, operation, licensing or permitting of any retail marijuana establishment or retail marijuana social club, as those terms are defined under the Marijuana Legalization Act ("Act"), 7 M.R.S. Section 2441 (specifically Section 2442), *et seq.*. The term retail marijuana establishment includes retail marijuana cultivation facilities, retail marijuana products manufacturing facilities, retail marijuana stores, and retail marijuana testing facilities.

3. Statement of Necessity

The Act would legalize the recreational use of marijuana. The impact of this new law with regard to the public safety and welfare is of major concern given that marijuana has traditionally been illegal, and remains illegal under Federal statutes. The Act provides that the State licensing authority, created for the purpose of regulating and controlling the licensing of the cultivation, manufacture, distribution, testing, and sale, of retail marijuana and retail marijuana products, has been tasked to adopt appropriate rules within nine (9) months after the effective date of the Act.

The Act, in Section 2449(2) requires municipal approval after a license is issued by the State licensing authority, to enable a retail marijuana establishment or retail marijuana social club to operate. Under Subsection (4), a municipality may impose separate local licensing requirements, said requirements being at least as restrictive as the provisions of the Act and rules adopted pursuant to the Act.

The City requires time to understand any potential State rule making under the Act, as well as the impact of the Act on the City's existing rules and ordinances which do not contemplate or address the recreational use of marijuana in any form, or the location and operation of any of the facilities designated in Section 2 above, related to recreational marijuana. As well, with the increased use of marijuana, additional burdens could be placed upon public safety personnel, facilities, and infrastructure.

Municipalities, pursuant to 30-A M.R.S. Section 4356(1)(a) and (b), are authorized to enact moratoria:

- (a). To prevent a shortage or an overburden of public facilities that would otherwise occur during the effective period of the moratorium or that is reasonably foreseeable as a result of any proposed or anticipated development; or
- (b). Because the application of existing comprehensive plans, land use ordinances or regulations or other applicable laws, if any, is inadequate to prevent public harm from residential, commercial or industrial development in the affected geographic area.

Therefore, in accordance with 30-A M.R.S. Section 4356(1)(a) and (b), and for the reasons stated above, the City Council of the City of Bath finds that a moratorium on retail marijuana establishments and retail marijuana social clubs is necessary and warranted.

4. Conflict With Other Ordinances

The provisions of this Moratorium Ordinance supersede any conflicting provisions of the Ordinances of the City of Bath.

5. Moratorium on Retail Marijuana Establishments and Retail Marijuana Social Clubs

During the time that this Moratorium Ordinance is in effect, no approval for retail marijuana establishments or retail marijuana social clubs, including but not limited to, site plan or subdivision approval, building permit, certificate of occupancy, or any other licenses or permits shall be issued for any such use on any property within the City of Bath. This shall apply to the requirement of municipal approval under 7 M.R.S. Section 2449(2).

6. Effective Date and Duration

This Moratorium Ordinance will become effective on the date of first passage by the City Council, assuming final approval after public hearing and second passage, as required under the provisions of Section 221 of the Charter of the City of Bath. The Moratorium shall remain in effect for a period of one hundred and eighty (180) days from the date of first passage, after which it shall be repealed, unless extended in accordance with Section 8 below.

7. Extension

Where the circumstances giving rise to the need for this Moratorium continue to exist and have not been fully resolved, this Moratorium may be extended by vote of the City Council for additional one hundred and eighty (180) day periods after appropriate notice and hearing and in accordance with the provisions of 30-A M.R.S. Section 4356(3) and Section 221 of the Charter of the City of Bath.

8. Separability

If any section, subsection, or provision of this Ordinance is declared to be invalid for any reason by any competent court, such a decision shall not affect the validity of any other section, subsection, or provision of this Ordinance.

9. Violation

Any violation of the terms of this Moratorium Ordinance shall be subject to the enforcement penalties under 30-A M.R.S.A. Section 4452. The violator shall be subject to the civil penalties contained therein and the City shall have the specific authority to obtain injunctive relief to prevent the licensing, location, establishment or operation of any recreational use facility within the City of Bath. This provision shall be in addition to, and not in lieu of, any other violation provisions or penalty provisions of applicable City Ordinances or State Law.

Memorandum

To: Honorable Chairman and All Members Bath City Council

CC: William D. Giroux, City Manager
Andrew H. Deci, Director of Planning & Development
Scott Davis, Codes Enforcement Officer
Michael Field, Police Chief

From: Therriault & Therriault, City Solicitors

Date: December 1, 2016

Re: Draft Moratorium Ordinance

Attached to this brief Memorandum is a draft of a proposed Moratorium Ordinance. We have been advised that there have been inquiries from the public regarding whether or not the City would be enacting such an Ordinance, to delay implementation of the Act in the City of Bath until such time as the issue can be studied and appropriate regulations considered and put in place. The draft Moratorium, that is attached, reflects the circumstances as they exist at this point in time.

I want to emphasize that there is no time crunch on this. As we have eluded to in the Moratorium, the State licensing authority needs to be constituted by the Legislature and that organization needs to develop rules and regulations. By Statute, they have nine months to do so. The authority is also the body that issues all of the State licenses that may be required and obviously that can't happen until the rules are in place and, in fact, the authority is constituted. Therefore, it appears that there won't be anyone knocking on our doors in the near future to establish any marijuana related uses or activities.

This Moratorium can be amended and adjusted prior to its consideration to reflect any changes in circumstances that may occur. I would recommend, however, delaying this as long as possible, since we are restricted to 180-day periods and the longer we can delay without any repercussions, the fewer Moratoriums we will have to consider.

If there are any questions, please do not hesitate to contact us.

Very truly yours,

Roger R. Therriault, Esq.
