Mr. Stanek joined the meeting at 7:07 p.m.

CORRESPONDENCE: Mr. Smith read correspondence into the record concerning the approval by the Board of Selectman of the appointment of Silver Petrucelli as the project architect and Fusco Corporation as the Construction Manager. The correspondence also indicated that the Town Counsel was to review and prepare appropriate contracts for the Architect and the Construction Manager. Mr. Smith also indicated that letters had been sent to the other architects and construction managers that had been finalist's for the job. These letters notified them of the appointment of Silver Petrucelli and Fusco Corporation and thanked them for their participation in the process.

CONSTRUCTION MANAGER: Mr. Smith introduced the members of the construction manager team to the committee. No action was taken.

ARCHITECT: Mr. Smith introduced the architect team and Mr. Petrucelli, Mr. Silver and Mr. Stein updated the committee on the following items:

- The RFQ was utilized to draft the BSF revised AIA architect contract and it was presented to George Temple, Town Counsel, for his review. No contract has been presented to Silver Petrucelli by Town Counsel as of the meeting date.
- The architect team met with the education programming team on May 11th from 2:00 p.m. to 4:30 p.m. Mr. Petrucelli provided a high level overview of the items discussed with the education program team and

indicated that additional meetings had been scheduled for the specialty areas (i.e. music, art, special education). The architects provided a copy of the questionnaire that was distributed to the education programming team to facilitate the planning process. The next meeting with the education programming team is scheduled for May 20th at Central Office.

- Mr. Kubik requested clarification regarding the dissemination of information to the members of the committee and to the general public. Fusco Corporation indicated that they had experience in this area on other projects and would host the web site for dissemination of information.

PROJECT SCHEDULE: Mr. Stein distributed and reviewed the draft project schedule with the committee. Discussion ensued regarding coordination of the timeline with the construction manager, possible areas of concern such as code approvals, timing of bid awards to allow for work to start in the Summer, 2010, timely integration of engineering concepts in the schematics, RFQ for a commissioning agent, and possible phasing of the project. Mr. Calvert requested the current asbestos management plan and Mr. Belden indicated that he would forward a copy. Mr. Calvert also discussed the constructability of other features of other architect plans as presented to the committee during the presentation process. It was indicated that the project schedule was still a work in progress.

PROJECT BUDGET: Mr. Smith distributed a revised project budget to the committee, which reflected the revised architect and construction manager costs per the RFQ process. Mr. Smith indicated that the savings in the architect and construction manager fees were added to the project contingency.

MOTION: Mr. Purtorti, sec. Mr. Marcinek to approve the revised project budget as submitted by Mr. Smith.

For: Don Smith, Pete Kubik, Saundra Gesek, Yashu Purtorti, Bruce Baker, Ray Catlin, Paul Roy, Fred Stanek, Mike Marcinek, Judy Legeza
