Ken Mitchell, President of the Valley Fire Chiefs: States that they are happy to be moving to Seymour and would like a 4-year lease instead of a 2-year lease due to a new facility being built in Beacon Falls within 4 to 6 years. They would also like a small sign showing people where their new office would be. They will also be putting a projector unit in the large meeting room, which other groups would be able to use. The current office is located on Main Street in Ansonia in the basement of a travel agency and it is very small.
