III) PUBLIC COMMENT

Cindy Dion, 18 Carriage Drive, Seymour, parent of a student at Bungay School – Mrs. Dion commented how dumbfounded she was at the December 5, 2011 Technology meeting regarding the discussion that was held for 15 minutes on whether or not to take Mrs. Harmeling's voice as her voice over the phone because she was out of town. Mrs. Dion works from home and always signs her paperwork electronically. She hopes this BOE will bring new ideas and moves with the future. Mrs. Dion noted the meeting was an embarrassment to watch and is not the only parent that feels this way.

Theresa Dunlop, 13 Highland Street, Seymour, parent of a student at SMS – Mrs. Dunlop informed the BOE she has noticed over the last couple of months some of the documents on the district's website have changed to doc. X files and she cannot open them on her home computer. She asked the BOE to look into this so her student can open documents from home.

Alison Brett, Seymour resident, parent of two children at Bungay School – Mrs. Brett informed the BOE her children utilize a path out of Bungay School, and during the winter when there is a lot of snow, the path needs to be cleared. She asked if the BOE can look into how we can get the town and the BOE to work together to clear the path for the children. Ms. Mascolo will look into it.

B. REPORTS

1. Awards Committee Meeting Minutes (revised) – November 15, 2011

This information was put in the agenda for BOE review

2. Chairman's Report

Chairman Putorti handed out an article about Southbury Selectmen's' meetings, entitled "Selectmen meetings have different look under Edelson". The article gave a brief synopsis of how their meetings are run using modern day technology. Chairman Putorti reported to the BOE on a workshop he recently attended on being a BOE Chairman. As a personal preference, Chairman Putorti decided to do away with having a Consent Agenda on the regular BOE agenda. He asked BOE members to let him know between meetings if they wanted any item(s) added to the next meeting's agenda to have them to him by the Wednesday before the meeting.

a. Board Member Comments

Mrs. Magri reported she also had the opportunity to attend a CABE workshop and learned what was going on in other districts. She found the workshop very informative and encouraged other members to attend one. Mr. Strumello commented he read an interesting article in the "Republican" about the new Superintendent in Watertown, who is from out of the district. Many of the things she said in the article are similar to what Ms. Mascolo has been saying, e.g. "High quality teaching is going on, but high quality teaching still needs improvement." Mr. Stanek would like the Facilities Committee to discuss the heating system at the high school due to the situations today and a few weeks ago in the science wing. He stated the heating system has been problematic since the addition was built, and we need to possibly allocate money in this upcoming budget to get it resolved. Mr. Kubik agreed and will have Ms. Mascolo schedule a meeting. Mr. Garofolo suggested Wayne Natzel be invited to the meeting as well. Mr. Hatfield asked to get a preview of FF& E (Furniture, Fixtures, & Equipment) package of Chatfield before the budget workshop to see what we would be looking for there as well as the other schools, and how the district will implement the technology.

3. Superintendent's Report

Ms. Mascolo distributed her report to BOE members which detailed her meetings, activities and ebcasts of the previous two weeks, as well as upcoming meetings and activities. She also called BOE members attention to the corrected calendar of meetings.
