Mr. Belden reviewed the Financial Summary for the period ending September 2010. Mr. Belden indicated he felt that the financials are holding up where he felt they would be at this point in time. He discussed the partnership with the Town of Seymour to use the same payroll system and implement it by January 1, 2011. Mr. Kubik asked if the travel line item is going to be over by the end of the year. Rick stated that it might be over by about \$1000 by the end of the year. Mr. Baker asked if there was going to be a pick up with the change in administration at the middle school. Rick mentioned that there might be a slight pick up but as an interim assistant principal was brought in there was still an expense going out.
