

**SEYMOUR  
BOARD OF EDUCATION  
Athletic Sub-Committee Meeting**

**Minutes**

**Monday, May 5, 2008  
Seymour Middle School  
6:30 p.m.**

Those in attendance: Judy Flood, Fred Stanek, Jim Ward, Bruce Baker, MaryAnne Mascolo, Christine Syriac, Rick Belden, Wayne Natzel, Ed Rostowsky, Dennis Rozum, Bill Paecht

Meeting called to order at 6:35 p.m.

Discussion ensued regarding the high school football fields as well as other town fields. Ed Rostowsky said that the only teams that will be allowed to play on the high school field will be varsity football, girls' soccer and boys' soccer. No practices will be held on the field for the high school students. Pop Warner will just play games on the high school field, they will not be allowed to practice on the varsity field.

Bill Paecht said that the Father's Club raises a lot of money and should Pop Warner not be able to play on the field, it may cause financial problems for their budget as they do many good deeds for the community.

Discussion ensued regarding the possibility of putting bleachers and goal posts on the lower field. Also the possibility was discussed regarding lining the old Middle School field for the Soccer Association.

Should there be inclement weather Ed Rostowsky will decide whether to play on the field or not.

Bill Paecht stated that he is actively pursuing grants for the fields. Presently the fields have been reseeded and are being maintained.
