Pledge to Flag

1. Review Vendor Packages of Custom Fire & Crimson Fire

Truck Committee Presentation by Chris Mostasky stating both vendors were equal, first choice was Custom Fire based on previous experience. (Crimson adjusted their \$510,000 price after two inspection trips were removed. This dropped the price to \$500,000) But factoring in financials plus a few extras in the Crimson package, makes it the logical choice for the department and the Town.

2. Vote on Chiefs' Vendor of Choice

Motion by Scott, 2<sup>nd</sup> by Tom to make the recommendation to accept Crimson Fire's adjusted proposal and present it to the Board of Fire Commissioners.  
**Vote 4-0 to approve.**

Motion by Jim 2<sup>nd</sup> by Scott to Adjourn @ 20:15 hours. **Vote 4-0 to adjourn**

Respectfully Submitted,

Thomas J. Eighmie  
Chief
