ITEM #1: Transfer request

→ Dennis Rozum explained that due to the number of snow and ice storms this winter the department's snow plowing accounts have been depleted. Rozum projected that \$96,000 is necessary to make it through this winter. 50% of this cost would come from interdepartmental line item transfers. 50% would come from the town's contingent fund if needed.

→ Motion to request interdepartmental line item transfers from the director's salary account (\$13,000), regular salary account (\$25,000), and regular overtime account (\$10,000) to the snowplowing overtime account (\$20,000) and snowplowing materials account (\$28,000).
