

**Minutes
Commission on Aging
Special Meeting
April 6, 2011
Seymour Town Hall
10:00 AM**

Members of the Commission present: Joan Gee, , Bonnie Wilkes, Evelyn Molner
Absent: Harry Marks, Phyllis Jachimowski
In Attendance: Paul Roy, First Selectman

- The meeting was called to order at 10:05 AM.
- All present recited the Pledge of Allegiance.
- **Public Comment**- There was no public comment at this time.

Discussion was held on preparation of the "rolling document" for the Board of Selectmen. It was noted that both the Town Charter and the Town Ordinances state the Commission on Aging shall study the needs of the Elderly in relation to housing, welfare, recreation, and health.

The Commission feels this document should include:

what the Commission did (i.e. survey; submission of recommendations to the Board of Selectmen)

what the Commission found (i.e. existence of the Senior Citizens, Inc. group and their role)

what was changed/added in elderly services in Seymour

what still needs to be accomplished.

This discussion will continue at the May meeting as the April meeting will be attendance at the Seymour Senior Health and Informational Fair.

No further Public Comment

Meeting Adjourned at 12 noon.

Respectfully submitted,

Bonnie C. Wilkes
Secretary, Commission on Aging
