Chairman's Report

Chairman Simpson reported to the Commission that she had contacted Town Council about the consumption of liquor on town owned property and was told that it was not allowed. A special permit through a distributor would be necessary in order to have a Wine Tasting at the Strand.

The Historical Society was granted permission to use the Strand on January 23, 2011 for an Antique Depression Glass Appraisal at no charge to the Society.

The Halloween Trick or Treat was a success again this year. Chairman Simpson reported that the 2011 event will see the streets closed down as to make it a safer environment for the children that are participating in the event. We will need to order more bags and possibly have more distribution points for the handing out of bags. The Downtown Merchants that participate will be asked not to distribute candy before the start of the event.

Grant papers that were submitted were available to the committee members to peruse.

Pricilla Altorelli will call Naugatuck Glass to inquire about the installation of the window at the Strand Theater and the price we were charged for the work that was done.

Kim Osgood reported that she had contacted the auction house to look over the posters at the Strand Theater with a possible auction of them in the future. Phil from the auction house will need to see the posters before determining their worth.

An effort to contact Mr. McWilliams regarding his participation in the 2011 Downtown Concert Series has not been successful. Valerie D'Anna will make another attempt to contact Mr. McWilliams.

Pricilla Altorelli will inquire about the probationary rate for the Seymour Police for the Downtown Concert Series for 2011.

Motion to adjourn the meeting at 8:35 pm Pricilla Altorelli Second Valerie D'Anna **Vote: All in favor**
