Dear Members,

Our concert series this year had a very poor attendance and I am looking for new ideas to continue bringing culture and music to our residence. We seem to be spending a lot of money when less than fifty people are attending the concert series in the park. Our block dances seem to bring more people and help the downtown merchants. Please be open to making new suggestions and ideas for the future.

A recap of this year:

Three successful block dances

Seven concerts in the park

Founders Day entertainment

Summer camp program

Halloween with downtown merchants

Christmas Carolers with Santa arriving by train

Flag contest for all schools

Fund raiser for the Strand / Zoi's

I can't thank everyone enough who helped with making this another tremendous year. I have served on many committees but never one that worked so hard and well together which is the main reason why we are so successful.
