Public Comment:

A request was made by Christian Bonnani, 8th grader from Seymour Middle School and Boy Scout from Pack 65 to sell bottled water, cans of soda and snacks during the summer concerts at French Park each week. He explained that he was trying to raise money to attend a scout jamboree in the summer of 2010. All members felt this was both a good idea for Christian while providing drinks and snacks to the people attending the concerts. A motion was made to allow Christian Bonnani to sell snacks during the concerts both at French Park and rain location, the Strand Theater by Linda Bellavance
