The meeting was called to order at 7:40 p.m. by Chm. Steve Plotkin

William Lane Estates Subdivision

Donald Smith representing Angelo Catone stated that they were before the Commission in November, 2008 with a plan for the remediation but it was too late in the season to do any of the work. They are now ready to do the work. He presented a schedule and indicated that it is the same items that were discussed before. He stated that it was revised after the comments made at the last meeting. He stated that they have contractors ready to do the work. The proposed work includes work to the sidewalks, guiderail, seeding and erosion controls as well as drainage remediation and final paving. Mr. Smith stated that the work will begin the first week of April and be completed in June.

MOTION: P. Jezierny/W. Ryan, that site work be continued at William Lane Estates Subdivision as presented in the proposed work sequence and schedule.
Motion Carried 5-0.
