

MINUTES  
98 BANK STREET COMMITTEE  
TUESDAY, MARCH 8, 2011

First Selectman Paul Roy opened the meeting at 7:02PM. The Pledge of Allegiance was stated by all members. The First Selectman provided the members with information on the different costs associated with 98 Bank St., including heat, electricity, water, sewer and repairs. Members were also given information on the lease agreement with Naugatuck Valley Health.

The Committee then looked at floor plans of Seymour High School as well as 98 Bank St. The Committee compared square footage at 98 Bank St., and discussed possible locations at the Seymour High School to fit the requirements.

The Committee suggested a site visit to both 98 Bank St. and the High School. The Committee felt that a physical site visit will allow for better understanding of site requirements. The First Selectman will request a visit by contacting Superintendent Mary Anne Mascolo and Board of Education Chairman Ed Strumello. The First Selectman will contact committee members with the date.

Meeting adjourned at 8:10PM.

Respectfully Submitted,

Paul Roy  
First Selectman
